

The background of the page features a large, light-colored watermark of the University of Colorado Boulder seal. The seal is circular and contains the text 'UNIVERSITY OF COLORADO BOULDER' around the perimeter and '1876' at the bottom. In the center, there is a figure holding a staff and a book, with the word 'PROGRESS' written above it. The word 'AANYATA' is also visible at the top of the seal.

Commencement

UNIVERSITY OF COLORADO BOULDER

MAY 6, 2021

One Hundred Forty-Fifth
Year of the University

NORLIN CHARGE TO THE GRADUATES

The first commencement at the University of Colorado was held for six graduates on June 8, 1882, in the chapel of Old Main. It was not until 40 years later, on September 4, 1922, that the first summer commencement was held. Since the first commencement in 1882, the University of Colorado Boulder has awarded more than 350,000 degrees. The traditional Norlin Charge to the graduates was first read by President George Norlin to the June 1935 graduating class.

You are now certified to the world at large as alumni of the university. She is your kindly mother and you her cherished sons and daughters.

This exercise denotes not your severance from her, but your union with her. Commencement does not mean, as many wrongly think, the breaking of ties and the beginning of life apart. Rather it marks your initiation in the fullest sense into the fellowship of the university, as bearers of her torch, as centers of her influence, as promoters of her spirit.

The university is not the campus, not the buildings on campus, not the faculties, not the students of any one time—not one of these or all of them. The university consists of all who come into and go forth from her halls, who are touched by her influence, and who carry on her spirit. Wherever you go, the university goes with you. Wherever you are at work, there is the university at work.

What the university purposes to be, what it must always strive to be, is represented on its seal, which is stamped on your diplomas—a lamp in the hands of youth. If its light shine not in you and from you, how great is its darkness! But if it shine in you today, and in the thousands before you, who can measure its power?

With hope and faith, I welcome you into the fellowship. I bid you farewell only in the sense that I pray you may fare well. You go forth, but not from us. We remain, but not severed from you. God go with you and be with you and us.

THE UNIVERSITY SEAL

The University of Colorado seal depicts a male Greek classical figure sitting in front of a pillar and holding a scroll. Next to the figure, laurel branches frame a burning torch. The inscription in Greek reads Let Your Light Shine. The laurel symbolizes honor or success; the youth suggests the morning of life; and the scroll represents written language.

The seal is used primarily on official documents, such as diplomas and transcripts that have been issued on behalf of the university. The Board of Regents uses the seal on its official documents and publications. The seal also appears on the President's Chain of Office, the University Mace, regent regalia and various formal publications.

Dear Graduate:

One of the greatest honors for the University of Colorado Board of Regents, the institution's governing board, is to be part of this commencement ceremony. Your success is a success for us all. Your degree is a measure not only of an accomplishment of dedication and talent, but also notice to the world that you have the skill and discipline to contribute greatly to any endeavor you pursue.

This commencement ceremony, like every University of Colorado graduation since 1935, will close with the reading of the Norlin Charge. As originally expressed by former CU President George Norlin in 1935, graduation "marks your initiation in the fullest sense of the fellowship of the university, as bearers of her torch, as centers of her influence, and as promoters of her spirit." Welcome to the ranks of CU's alumni family of 475,000 graduates across all campuses since 1882. Congratulations on achieving this milestone. Well done and well earned!

Sincerely,

The Regents of the University of Colorado

THE PRESIDENT AND CHANCELLOR OF THE UNIVERSITY OF COLORADO

Dear University of Colorado Graduate,

Congratulations on earning your degree from the University of Colorado Boulder.

This is a momentous time in your life and the lives of those who have supported you. We take great pride in what you have accomplished at CU Boulder and are grateful you are part of our university family.

When you walk away from this exciting day, our hope is that you will do so with a passion to pursue your dreams. Never forget how the university shaped you and prepared you to face life's challenges, just as you helped shape your university. Expect nothing but the best from yourself and those who surround you.

The University of Colorado community is proud of you and your accomplishments. As you leave here to start careers, draw on your academic achievements at CU Boulder to help you succeed and inspire others.

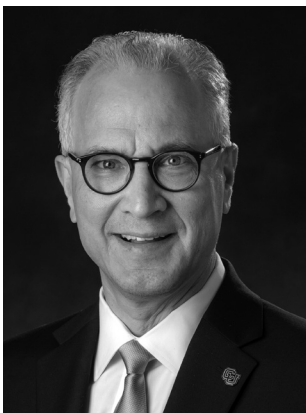

Welcome to the generations of alumni around the globe who carry that CU pride within them. Our collective legacy has been to leave a positive and meaningful mark on Colorado and the world.

Today is your day to shine and share your accomplishments with your family and friends. We wish you success, prosperity, happiness and good health in all your endeavors.

Sincerely,

Mark Kennedy

COMMENCEMENT SPEAKER

Dwinita “Nita” Mosby Tyler

As founder of The Equity Project, Dwinita “Nita” Mosby Tyler is nationally recognized for her work in leadership, equity, diversity and inclusion. She has worked as senior vice president of human resources and chief inclusion officer for Children’s Hospital Colorado, and as executive director of the Office of Human Resources for the city and county of Denver.

Mosby Tyler supports nonprofits and small businesses as founder of The HR Shop, a boutique human resources firm in Denver. She has worked with the University of Colorado Hospital, the Aurora Police Department, the Center for Trauma and Resilience, the ACLU of Colorado, the Boulder County AIDS Project, the Mayor’s Commission on Aging, the African Community

Center and the Colorado Coalition Against Domestic Violence. She has held leadership roles at AT&T, Kaiser Permanente and McKesson.

She earned a bachelor’s degree in education and a doctorate in organizational leadership from the University of Alabama, and a master’s in management from Webster University. Mosby Tyler is the first lady of Colorado’s oldest Black church, Shorter Community AME Church, where her husband, the Rev. Timothy E. Tyler, is the pastor.

Mosby Tyler’s book, *White People Really Love Salad: What My Childhood Taught Me About Diversity, Equity and Inclusion*, explores the effect that social climates, race relations, stereotypes, education systems and parenting had in shaping her perspectives.
