## WELCOME

It is a pleasure to welcome you to a new semester at the University of Colorado at Boulder. As this *Registration Handbook and Schedule of Courses* demonstrates, this is a special campus with unique opportunities for you, our students. Whether in the classroom, laboratory, or studio, you will be working with many of the best faculty members in their disciplines. They have much to offer, and I hope you will be receptive to their experience and knowledge.

In addition, I hope you will take advantage of the many courses outside your immediate discipline, for citizenship in the next century will require a broad understanding of issues and problems throughout the world. That understanding, in turn, will necessarily entail knowledge in history, the social sciences, the arts and humanities, and the physical sciences. Never before have the demands of informed citizenship been so comprehensive. The University of Colorado at Boulder wants to assist you in meeting those demands.

This, then, is a time of unique opportunity for you. I urge you to be open to the power of learning, for it will serve you throughout your lives.

Please know of my best wishes for a successful and enjoyable semester.

Sincerely,

James N. Corbridge, Jr., Chancellor

The staff of the registrar's office join me in welcoming you to the fall semester at CU-Boulder. Besides the listing of the courses offered, you will find this *Registration Handbook and Schedule of Courses* to be a valuable source for instructions, dates, procedures, and phone numbers. We hope you will refer to it throughout the semester.

We are continuing to emphasize new services and alternate ways for you to access your student information. For many students, a degree audit or core-curriculum audit is now available through CULine-PLUS, by mail, or from your advisor. Check CULine-PLUS for a display of your degree audit or to see if one is available. Also, audits for many majors in arts and sciences are scheduled to be available in time for fall registration. Watch for announcements on this.

Many students are finding CULine-PLUS to be a convenient way to check on class schedules, grades, account balances, and now degree audits. CU Connect has been recently enhanced to include grades, wait list positions, and credit options. See the instructions and information on page 12 of this handbook, and check it out!

Our cover is again a reproduction of original student art. Each cover for the past five semesters has featured winning student artwork. This piece was selected from over 100 entries in our annual student art contest. A profile of the artist and his work appears on page 2.

We are making every attempt to keep advertising balanced with the content and purpose of this publication. The advertising subsidizes much of the cost of the publication and allows us to provide a quality publication free to students. We hope you will patronize the advertisers in this handbook and let them know you saw their ads here. We also want to note that all pages of this handbook, both cover and interior pages, are printed on recycled paper.

We are interested in the continuous improvement of our publications and tools for registration. Please feel free to comment or offer suggestions on this *Registration Handbook and Schedule of Courses*. Our location and phone number are listed in the directory on page 33.

Best wishes for a successful fall semester at CU!

William R. Haid, Registrar and Director of Enrollment Services

## STUDENT ART CONTEST

**J**eremy Stein is the winner of the *Fall 1994 Registration Handbook and Schedule of Courses* cover art contest. He is from Deerfield, Illinois, a suburb north of Chicago.

His artwork, entitled **Old Main and Student**, was created for a photography class at CU as part of a self-portrait project.

Jeremy feels that any goal of importance is not easy to reach; however, the rewards can be great. This piece depicts a student climbing up the stairs of CU's oldest building, Old Main. "The road to the top may not be easy, but doors can open for those who do not give up." In short, this piece is a metaphor of achieving a college education.

Although he is an English major, Jeremy enjoys photography as a serious hobby and hopes to further his photography education here at CU. Besides an artistic interest in photography, Jeremy also has a strong interest in music and sports photography. Recently he has received several awards for his work in the Chicago area, and he looks forward to furthering his photographic experience in Colorado.

*Jeremy Stein*

**T**his *Registration Handbook and Schedule of Courses* (RHSC) contains information you need to register for the fall 1994 semester, to adjust your schedule, and to pay your bill. Only if policies or procedures change will you receive further information. Please keep this handbook with you throughout the semester. Additional copies may be purchased from the CU Book Store for \$1.25.

The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies for your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time, all information is subject to change. Changes may occur at any time in course meeting times and days or in

University, college, or school policies. In addition, classes may be canceled at any time. It is your responsibility to be aware of such changes by consulting departmental advisors, checking departmental materials, and reading all of your registration materials carefully.

 All pages of this handbook, both cover and interior pages, are printed on recycled paper.

## ACADEMIC CALENDAR

### MARCH 28 (MON.) - APRIL 29 (FRI.)

- Fall 1994 confirmed-registration time assignments for continuing degree students enrolled during spring 1994. All continuing students who plan to enroll for fall 1994, including continuing graduate students, should register at this time. Continuing students can continue registering for fall 1994 through August 16; however, for best course selections, students should register as close to their time assignment as possible.

### APRIL 4 - 25 (MON. - MON.)

- Registration help sessions every Monday, 1:00 p.m. to 4:00 p.m. in the UMC, room 422 (UMC 423 on April 4). (See page 14 for more information.)

### MAY 2 (MON.) - JULY 13 (WED.)

- Schedule adjustment for continuing degree students who have completed confirmed registration.
- Fall 1994 confirmed registration for new graduate and readmitted students who are not required to attend an orientation.

### JULY 14 - 25 (THURS. - MON.)

- Fall 1994 course-request registration for new freshmen and transfer students (except those students in arts and sciences, business, and engineering [transfer students only] who attend orientations). Continuing, new graduate, and readmitted students may not register or adjust their schedule from July 14 to July 31.

### JULY 28 (THURS.)

- **Deadline** (for continuing students only) to withdraw and receive a full refund of their \$200 enrollment deposit less any outstanding charges, by 4:00 p.m. New and readmitted students are not eligible for a refund. (See page 31.)

### JULY 29 (FRI.)

- **Deadline** to update your summer and/or permanent mailing address to ensure that you receive your schedule/bill at your correct address (mailed only to new graduate, readmitted, and continuing degree students who confirm register by August 12).

### AUGUST 1 - 16 (MON. - TUES.)

- Final schedule adjustment for new graduate, readmitted, and continuing degree students who complete confirmed registration between March 28 and July 13.
- Schedule/bills and ID validation stickers mailed to all students who confirm register through July 13. Mailings will continue for all students who confirm register through August 12.
- Final registration period for new freshmen in engineering and new freshmen and transfer students in architecture and planning, education, journalism, and music and who failed to register July 14-25.

### AUGUST 12 (FRI.)

- **Deadline** for continuing, readmitted, and new graduate students to register and receive a schedule/bill and ID validation sticker in the mail. Students who register after this date may pick up their schedule/bill and ID validation sticker, August 22-26 at the Coors Events/Conference Center. (See page 20.)

### AUGUST 16 (TUES.)

- **Deadline** for all students not required to attend an orientation (undergraduate and graduate) to register for fall classes. **Registration must be completed by midnight on August 16** to be guaranteed enrollment for fall semester. After this date, registration is on a space-available basis, and late fees will be charged. (See page 30 for late registration information.)

### AUGUST 22 (MON.)

- Schedule/bill distribution *only* for new freshmen and transfer students, for all students who registered *after* August 12, for those who need a revised schedule/bill, or for those who did not receive a schedule/bill and ID validation sticker in the mail. Open 8:30 a.m. to 4:00 p.m., through Friday, August 26, with additional hours Tuesday, August 23, until 7:00 p.m., Coors Events/Conference Center. (See page 20.)
- Schedule adjustment begins for those students who registered via course request (new freshmen and undergraduate transfer students only). For all other students who confirm registered, schedule-adjustment time assignments begin Tuesday, August 23. (See page 21.)

### AUGUST 23 (TUES.)

- Schedule-adjustment time assignments continue. (See page 21.)
- Registration begins for faculty and staff.

### AUGUST 24 (WED.)

- Classes begin.
- Schedule adjustment continues for all students.

### AUGUST 25 - 26 (THURS. - FRI.)

- Space-available (SAVE) registration, Coors Events/Conference Center, from 8:30 a.m. to 4:00 p.m. (See page 31.)

### AUGUST 26 (FRI.)

- Last day for schedule/bill and ID validation sticker distribution, schedule adjustment, and late registration screening at the Coors Events/Conference Center. Beginning Monday, August 29, these registration services will be located in the basement of Regent, room 1B60.

## ACADEMIC CALENDAR

## FALL 1994 FINAL EXAMINATIONS

**T**hese pages of final exam schedules give the same information; they are simply organized differently to reach more students. This page lists all final exams by meeting pattern. The final exams listed on page 7 include all common finals as well as standard meeting patterns.

If you have three or more examinations scheduled on the same day, you are entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made with the instructor *no later than the end of the sixth week of the semester*. You will need to provide evidence that you have three or more examinations to qualify for rescheduling exam times.

For the complete final examination policy, please see *Ralphie's Guide to Student Life* or the *University of Colorado at Boulder Catalog*. The fall 1994 final exam schedule can also be found on CULine.

**Explanation of Abbreviations Used for Days:** Monday—M; Tuesday—T; Wednesday—W; Thursday—R; Friday—F; Saturday—S; and Sunday—U. Please check with your instructor for class meeting times that do not fall within the standard meeting pattern.

# SEMESTER AT SEA<sup>®</sup>

## *A Voyage of Discovery*

Is your education preparing you completely for the global community in which we live? Consider internationalizing your course of study by spending a semester studying and traveling around the world on the University of Pittsburgh-sponsored Semester at Sea program. Since 1978 over 1500 CU students have experienced Semester at Sea.

Each fall and spring undergraduates from across the U.S. and abroad live and learn together aboard the *S.S. Universe*, an 18,000 ton ship equipped as a floating campus. During this 100 day voyage you can earn 12-15 transferable credits, choosing from more than 50 lower and upper division courses. Experience an itinerary as culturally diverse as *Venezuela, Brazil, South Africa, Kenya, India, Malaysia, Hong Kong, Taiwan and Japan.*

## REGISTRATION OVERVIEW

The Office of the Registrar will conduct two types of registration for fall semester 1994: confirmed registration and course-request registration.

**Confirmed registration** is for those students who are continuing with degree programs from the spring or summer semester, as well as for new graduate students and readmitted students. New undergraduate students registering after July 25 will also register via confirmed registration. (See pages 17 and 18.) Confirmed registration takes place throughout the months of April, May, June, and parts of July and August.

You may drop and add classes anytime after you register, through August 16, with the exception of July 14-31. CU Connect, our telephone registration system, will also be available for you to adjust your schedule once the fall semester begins.

**Course-request registration** is for new freshmen and transfer students registering on or before July 25. If you are just starting your academic career at CU-Boulder, you will register for fall 1994 via course-request registration during the summer months. New freshmen and transfer students in arts and sciences, business, and engineering (transfer students only) will receive course-request registration instructions

at orientation. New freshmen and transfer students in architecture and planning, education, journalism, and music (and new freshmen only in engineering) will receive course-request registration instructions with their fall registration materials in the mail from the registrar's office after they have confirmed their intent to enroll with the Admissions Office.

As a new freshman or transfer student, you will use CU Connect to call in your requests. Your course requests will be held and, at a later date, will be run through a series of computer programs to place you into classes. After you have picked up your schedule/bill and ID validation sticker and the semester has begun, you will be able to drop and add classes during the final schedule-adjustment period.

### Late Registration

All students must complete registration by midnight on August 16 (August 19 for new freshmen and transfer students attending the final arts and sciences, business, and engineering orientation session) to be guaranteed enrollment for fall semester 1994. Students who don't register by these dates (including graduate students) are subject to late registration. Only students in open categories will be allowed to register late, and a \$20 late fee is assessed. **Remember:** Many courses are full by this time.

Students can call (303) 492-6970 or 492-6301 beginning August 17 to see if they're eligible for late registration. Students who are eligible can go to the central schedule-adjustment site to begin the late registration process. (See page 30.)

## GENERAL REGISTRATION INFORMATION

**B**efore you register, please read the following information. Many of the questions you may have about registration procedures are answered here. The information is listed by subject or topic and is in alphabetical order.

### Addresses—Very Important!

- *Keep your addresses updated!*
- *Check your addresses on your invitation to register.*

Throughout your time as a student, we will mail registration materials to you. Therefore, it is extremely important that you keep your addresses updated at all times. These mailings include your invitation to register, as well as your schedule/bill and ID validation sticker.

Three addresses on your student record must be kept current: your mailing address, your permanent address, and your summer address.

Your **mailing address** is your address during the school year, *e.g.*, the residence hall, apartment, or house where

you live during the fall and spring semesters. This is the address where your invitation to register for each semester will be mailed.

Your **permanent address** most often is your parents' or guardians' residence, *e.g.*, your home during the time you are not attending school. This is the address where your schedule/bill and ID validation sticker will be mailed before the term begins.

Your **summer address** is your address from the end of the spring semester to the beginning of the fall semester.

Please note that you can have a number of address combinations: a different address for mailing, permanent, and summer; or the same address for any two or all three of these categories.

You may look up any of your addresses on CUline and, when needed, fill out a change-of-address form at the Office of the Registrar in Regent 105 or in the Financial Aid Office, Environmental Design, room 2. You can also call (303)

492-6581 to update your address(es). Note that these addresses are the only ones reflected on the Student Information System (SIS). Other offices, such as the Library, Housing, and Wardenburg, have separate address systems, and changes should be made there as well.

### Advising

- *Check your invitation to register for advising requirements!*
- *Please see pages 32-33 for locations and phone numbers of advisors on campus.*

Some CU-Boulder colleges and schools require students to consult with an advisor before registering for courses. A code is set on SIS that will prevent you from registering until you have seen an advisor. If you receive such a message on your invitation to register (see page 16 for a sample invitation) or when calling CU Connect, and you are an arts and sciences or an engineering student, call your faculty advisor, your major department, or your dean's office to make arrangements for advising (see pages 32-33 for phone numbers). If you are a student in any other college or school and you receive an advising message, you should call your dean's office.

After you have been advised, the code on the system will be removed by the advisor or the staff in the department or dean's office, and you may then call CU Connect to register.

Some colleges, such as arts and sciences, hold workshops for students on general education requirements (core curriculum and college list).

The Office of Undergraduate Academic Affairs (Willard 226; 492-4433) can help you with general advising issues. Within the office, the Advising Resource Center (492-8811) has advisors to help those of you who are "open option" students or are thinking

## UNIVERSITY OF COLORADO AT BOULDER

## GENERAL REGISTRATION INFORMATION

of changing your major. Peer advisors are also available to help with both academic and personal concerns.

### Changing Your Major

- *Request this change at your new department!*

If you would like to change your major or declare a major before you register, go to that department and ask about the required procedures. Your change will be entered onto the computer system when it has been approved by the new department. If your change of major involves moving into another college or school, it is considered an intrauniversity transfer (IUT). Please see that section on page 14.

### Controlled Enrollment and Independent Study Courses

- *You must receive permission from the department before registering for these.*

If you are interested in taking a course with a 740-799, 800-, or 900-level section number, you must contact the department for permission and for the five-digit course call number before you register. Enrollment in these courses is limited by each department.

### Class Standing

Undergraduate class standing is based on the total number of semester hours passed, as follows:

Freshman	0-29
Sophomore	30-59
Junior	60-89
Senior	90-123
5th Year Senior	124 and above

### Course Reservation Program

The course reservation program assists you in getting the courses you need to graduate by giving you an opportunity to reserve space in a class and enroll in that class for the next semester before

the next registration period begins. All undergraduate core-curriculum courses that are offered by the College of Arts and Sciences, in addition to a few other non-core classes, are included in the course-reservation program. You will be eligible to participate in the course reservation program for spring 1995 if your name is on a wait list for one of these courses as of August 19 (10:00 p.m.), or if you add your name to the wait list after the beginning of the semester and you remain on the wait list through September 9. (All restrictions that are placed on the course for the following semester will be honored, and you must clear up any "stops" before registering.)

If you are eligible to participate in the program, you will receive a letter in October inviting you to register for the course, October 31 through November 4. You will register for all other spring courses during your regular registration time assignment.

### Credit-Hour Limits

- *Undergraduates may request a maximum of 19 hours of course work during registration.*
- *Undergraduates may request a maximum of 21 hours of course work during the final schedule-adjustment period.*

Undergraduates can only request 19 hours of course work during registration (15 hours for graduate students and 16 hours for law students), *including wait-listed courses*. Once you have completed your registration, you should check with your college or school to determine the maximum number of credit hours that can be counted toward your degree each semester. Remember that 12 hours is considered a full-time undergraduate student load for financial-aid purposes.

Undergraduates will be allowed to register for up to 21 hours (including wait-listed courses) during the final schedule-adjustment period.

### Credit Options

- *You do not receive grades for no-credit courses; however, you still pay full tuition.*
- *You can make credit-option changes throughout the registration and schedule-adjustment period through 4:00 p.m. on September 9.*
- *Courses taken for no credit or pass/fail cannot apply towards a graduate degree.*

**No Credit.** You can select classes on a no-credit basis (an *NC* will appear on your transcript in place of a grade) during registration or schedule adjustment. When you register by telephone for a course and select the no-credit option (see page 112 for instructions), CU Connect will verify the grading option chosen. However, you still pay full tuition for a no-credit course. Please check with your college or school for policies on no-credit status and how it may be used.

**Pass/Fail.** You will be able to select classes on a pass/fail basis throughout registration and schedule adjustment. Please check with your college or school; there are restrictions on the number and the types of courses that can be taken pass/fail. When you register by telephone for a course and select the pass/fail option (see page 112 for instructions), CU Connect will verify the grading option chosen.

Once you have signed up for a course on a pass/fail basis, it is not noted on class rosters or final-grade lists, nor should your instructor be notified that you are taking the course pass/fail. You will be assigned a grade for the class. A grade of *D-* or above is automatically converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your GPA; a grade of *P* is not counted.

**Note:** Should you decide you want to change the status of a course from or to either *P/F* or *NC*, make the change in

## GENERAL REGISTRATION INFORMATION

the registrar's office or at the central schedule-adjustment location. By filling out a credit option form there, you will not jeopardize your enrollment in the course. If you attempt to make this change by telephone, you will not be able to reenroll in the course if it is closed or a wait list exists for the course.

**Variable Credit.** When requesting a variable-credit course (one with a range of minimum and maximum credits), you must decide how many credits you would like to receive in that course. Indicate this when prompted by CU Connect. The number of credits you want to receive for the course can be changed throughout registration and schedule adjustment until 4:00 p.m., Friday, September 9.

**Verification of No Credit and Pass/Fail Status.** When you list your schedule via CU Connect (see page 18 for instructions), you will hear if you are enrolled for a course with a no credit or pass/fail grading option.

### CUline

CUline is available on computer terminals throughout the campus. It can provide important information regarding registration, such as a listing of available courses and the final exam schedule. CUline also gives you the ability to access your own records through CUline-PLUS (see right).

CUline terminals are located in the lobby of Regent Hall, the UMC, Norlin Library, College of Business, Fleming Law, College of Music, the Recreation Center, the Engineering Center, and most residence halls. Computing labs in Business, Engineering, Ketchum, Muenzinger, Norlin, and Physics, also have CUline access

### LOOKING FOR AVAILABLE CLASSES ON CULINE

To determine which classes are available at any time during the registration and schedule-adjustment periods, you can access CUline from a computer terminal. CUline will list courses that are open, and entries are updated regularly.

From the main CUline menu, choose

#### STUDENT ADMIN INFO

by moving the cursor down with the arrow key, and then pressing RETURN.

At this menu, select

#### COURSE AVAILABILITY

You may look at all available courses offered for fall, all available arts and sciences core courses, or available courses in order of time offered.

### CUline-PLUS: Accessing Your Record On-Line

With your University student number and PIN, you can now access the following information on CUline-PLUS (Personal Look Up Service) on any CUline computer:

- *your grades for the two most recent terms*
- *degree program information (primary and secondary college, major, and class standing)*
- *registration status (advising requirements and registration time assignment)*
- *your class schedule for the current term, the two most recent terms, and all future terms for which you have registered*
- *current semester billing and financial aid information*
- *current addresses*

You will only have access to your own records.

Federal privacy laws and University policies guarantee your right to access your own data and protect this data from

unauthorized access by others. Unauthorized access can result in student conduct disciplinary actions and/or civil and criminal proceedings. The University will provide reasonable physical and electronic security for this data, but it is up to you not to compromise the security of this information. If you feel that your PIN is not secure, please contact the registrar's office in Regent 105, and another PIN will be assigned to you.

### Degree Audits on CUline-PLUS

Degree audits for majors in journalism, architecture and planning, and business are currently available on CUline-PLUS. Arts and sciences core audits are available for those students who started spring 1993 or later.

### Directory Information

- *Come to the registrar's office by September 9 to have directory information about you withheld.*

The Family Education Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. However, certain information is considered public or "directory" information. Such information may be released to anyone, unless you inform the Office of the Registrar that you do not wish the information released.

Directory information includes your name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, enrollment status (full-time or part-time), degrees and awards received, educational institutions attended, and, if you are an athlete, your weight and height.

To prevent release of directory information, you must go to the Office of the Registrar by September 9 to request

## GENERAL REGISTRATION INFORMATION

that it be withheld. Once requested, nondisclosure of directory information will continue until you are no longer enrolled at the University or until you request removal of the privacy status. This prevents information from being released to anyone (including you) over the telephone. However, you will be able to access your grades and the other information available to you on CU Connect and CULine.

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, *Ralphie's Guide to Student Life*, and at the Office of the Registrar, Regent 105. For further information, call (303) 492-6907, and ask for the records supervisor.

### Double-Degree Programs

• *If you are working on two degrees, verify that we have this information.*

If you are working in a double-degree program (for example, obtaining one degree from arts and sciences and one from business), you should check to see that both degree programs are entered on the invitation to register that you receive in the mail or at orientation. If both colleges are not recorded, you may not be able to register for required classes in both colleges. If you have questions concerning your double-degree program, check with one of your dean's offices.

### Grades Via CU Connect

You can access any semester's grades (since summer 1988) by telephone. Call CU Connect at (303) 938-8110 during regular hours of operation, except for August 15 through August 26 when grades will only be available after 4:00 p.m. Enter the following information when prompted:

- the "grade" action code, which is 5003#

- the term code, followed by #

(The term code is determined as follows: The first two digits=YEAR and the last digit=TERM [1=spring semester, 4=summer semester, and 7=fall semester]. The term code for fall semester 1994 is 947.)

- your University student number, followed by #

- your PIN, followed by #

When grades have been released at the end of the semester, you will be able to access your grades via CU Connect according to the following schedule for fall semester 1994.

### AVAILABILITY OF FALL GRADES VIA CU CONNECT

### Help Line

If you are having any problems with telephone registration, call our help line at (303) 492-1033. This number has prerecorded registration information available 24 hours a day. To speak with a registration staff member, call between 9:00 a.m. and noon and between 1:00 p.m. and 4:00 p.m. MST, Monday through Friday, during the registration and schedule-adjustment periods.

## RESERVE OFFICERS' TRAINING CORPS

# PREREQUISITE: ADRENALINE

Drive. Intensity. Those aren't words you're likely to see in many course requirements. Then again, Army ROTC is unlike any other elective. It's hands-on excitement.

ROTC will challenge you mentally and physically through intense leadership training. Training that builds character, confidence and decision-making skills. Again, words other courses seldom use. But they're the credits you need to succeed in life.

Find out more. Stop by Folsom Stadium, Room 214, or call 492-3549.

**ARMY ROTC**  
THE SMARTEST COLLEGE  
COURSE YOU CAN TAKE.

## GENERAL REGISTRATION INFORMATION

### Intrauniversity Transfer (IUT)

- Check with the dean's office of your desired college or school for admission.

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you have already submitted an IUT application, register as if you have been accepted into the new program. If you are not able to register for some courses because you have not yet been accepted, you may change your schedule during the final schedule-adjustment period.

### Parking Permits/ Bicycle Registration

- If you need to park on campus, whether a car or a bike, you need a permit.

#### PARKING PERMITS: WHEN AND WHERE TO GO

##### August 21

8:00 a.m.-3:00 p.m.

Residence hall students go to the Coors Events/Conference Center; Williams Village residents go to Williams Village

##### August 22

8:00 a.m.-3:00 p.m.

Law students go to Law School; all other students go to the Coors Events/Conference Center

##### August 23

8:00 a.m.-4:00 p.m.

All students go to the Coors Events/Conference Center

##### August 24 - August 26

8:00 a.m.-4:00 p.m.

All students go to the Coors Events/Conference Center, Room 1, conference level

To get a parking permit, you need:

- a photo ID (preferably your CU-Boulder photo ID)
- your valid state motor-vehicle registration form (no exceptions)
- a current meal sticker or voucher (residence hall students only)

For permit information, call 492-3550; for any parking questions, call Parking Services, 492-7384.

### BICYCLE REGISTRATION

Registering your bike is mandatory on campus. Fall bike registration takes place August 21 through August 23 from 8:30 a.m. to 3:30 p.m. at the Coors Events/Conference Center, southwest entrance. It continues throughout the semester at the bike kiosk (between Imig Music and Cheyenne Arapahoe Hall) Monday through Friday, 9:30 a.m. to 2:30 p.m. For further information, call 492-2322.

### Photo IDs

- Located in the basement of the UMC, room 25, across from the CU Book Store. It is open between 11:00 a.m. and 4:00 p.m., Monday through Friday, or call 492-0355.

Your validated CU-Boulder photo ID is an essential identification card to carry with you. It signifies that you are a currently registered student and allows you to use University services and facilities.

To have a CU-Boulder photo ID made, go to the Photo ID Office, Monday through Friday, between 11:00 a.m. and 4:00 p.m. On August 18, 19, 22, and 23, the Photo ID Office will be open from 8:30 a.m. to 4:00 p.m. On August 24, regular office hours of 11:00 a.m. to 4:00 p.m. will resume.

You must have some other form of picture ID with you to have your student ID made. Your initial ID is free, but there is a \$10 charge for replacement IDs. (Continuing education and SAVE

students do not receive an initial free ID; these students are charged \$10 for an ID. However, SAVE students who choose to pay fees will receive a free CU-Boulder photo ID.)

CU-Boulder photo IDs and ID validation stickers are not transferable. Any person who uses the CU-Boulder photo ID or ID validation sticker of another student or allows his or her validated ID to be used by another student may be subject to disciplinary action. The Photo ID Office will only give out ID validation stickers when issuing a new or replacement photo ID. Replacement ID validation stickers (\$2.00) will only be available from the Office of the Registrar in Regent 1B60 from August 23 through September 9, or in Regent 105 beginning September 12.

### Professor Performance Guide

Information published in the *Professor Performance Guide* is the result of the Faculty Course Questionnaire completed by students each semester. The publication is available during registration and can help you decide which courses and instructors to choose. The questionnaire is distributed in classes during the last two weeks of the fall and spring semesters and gives students a chance to evaluate the instructor and the course. The compiled data are also available on CUline.

For more information, call the UCSU Academic Affairs Director, 492-7473. If the questionnaire is not distributed in your class, contact the Office of Research and Information, 492-7069.

### Registration Help Sessions

If you need help in using CU Connect (the telephone registration system), you can attend a registration help session on April 4, 11, 18, or 25. Registrar staff will be available on these dates in UMC 422 (UMC 423 on April 4) from 1:00 p.m. to 4:00 p.m. to answer your ques-

## GENERAL REGISTRATION INFORMATION

tions regarding registration. Touch-tone telephones will also be available for your use. You can come by any time during these hours for registration assistance.

### Special Assistance Available

The Office of the Registrar offers personal registration assistance to Spanish-speaking students, students with a disability, and students from foreign countries who may not be familiar with the telephone registration procedure. If you have a special need regarding registration, please call our office at 492-4822 or visit us in Regent 105.

### Special Services Form

- *Continuing students must turn in this form to get a registration handbook.*

This form, which allows you to choose special services such as the yearbook, tickets for the Artist Series, and Career Services programs, must be turned in to complete your registration. You do not have to choose any of the services, but completion of the form is a required part of the registration process.

If you are a continuing student, you must fill out the special services form before you can pick up a copy of the *Registration Handbook and Schedule of Courses*. The special services form will be available during the handbook distribution period.

If you are a new or readmitted student, you will receive the special services form in the mail or at orientation (for those students required to attend orientation) as part of your registration materials.

If you have not yet completed the form, please follow the instructions for filling it out, sign your name, and mail it via U.S. mail or campus mail. You may also drop it off at the Office of the Registrar, Regent 105.

### Stops on Your Registration

- *Check your invitation to register for stops!*

When you call CU Connect, you may get a message that you have a "stop" on your record. Stops are holds that the University puts on student records for various reasons. They originate from financial obligations, academic concerns, or even disciplinary matters. You will not be allowed to register until all stops have been cleared. Most often, you will know about a stop before calling CU Connect because a message will be printed on your invitation to register. (See page 16 for a sample invitation.) However, stops can occur at any time in the registration process, so you should make it a point to know the status of your student record.

If you have a financial stop, which indicates unpaid University debts, you may be withdrawn from all future terms if you fail to pay your bills. Please check with the Bursar's Office in Regent 150, (303) 492-5381.

### Time Out Program

For those of you who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program (TOP) provides an opportunity to leave without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Your place will be guaranteed when you return, providing you meet registration and deposit deadlines. An application fee of \$30 is charged. More information is available from the Office of the Registrar, Regent 105, (303) 492-8673.

**Note:** If you are registered for the semester you plan to begin TOP, you must formally withdraw. See the withdrawal procedures and the "Withdrawal Dates/Refund or Assessment Schedule" on page 31.

### Transcripts

- *May be ordered by phone, mail, or in person in Regent 105.*

If you need a copy of your CU academic record for advising purposes, you may call 492-6907 or fill out a form in the lobby of Regent to request that an **unofficial transcript** be sent to any department on campus at no charge. A personal copy can also be ordered and will be available the next working day at the transcript/enrollment verification window in the foyer of Regent. The cost is \$1 per copy. Same-day processing is available for an additional fee.

Your **official transcript** is the complete record of all courses you have taken at the University of Colorado, both at the undergraduate and graduate level. It contains the signature of the Registrar and the official seal of the University. Official transcripts are primarily used to support applications for transfer to other academic institutions and for employment purposes.

Official transcripts that include end-of-term grades will be available approximately 10 days after final examinations; degrees will be recorded approximately six weeks after graduation.

There is no charge for official transcripts, which are prepared only at a student's request. Typically, official transcripts require a minimum of four to five working days to process. However, a rush-transcript service is available for a processing fee. Official transcripts may be ordered by telephone at (303) 492-8987 or by mail. Address your requests to: Office of the Registrar, Transcript Section, CU-Boulder, Campus Box 68, Boulder, CO 80309-0068.

An **internal transcript**, which includes courses, credits, grades, transfer courses accepted, and grade point average (GPA), is mailed to your permanent address approximately two weeks after the end of the semester.

## CONFIRMED REGISTRATION

All continuing, readmitted, and new graduate students will participate in confirmed registration for fall 1994. You will be able to call CU Connect to register for classes, list your schedule, drop and add classes, and sign up for course wait lists. When you register via CU Connect, you will receive immediate confirmation of your enrollment in courses.

### 1 Receiving Your Invitation to Register

• *This form, which will be mailed, includes your registration time assignment, your personal identification number (PIN), your addresses, and any stops on your registration.*

A personalized invitation to register (see the page at left for a sample invitation) will be mailed to you indicating the date and time you can call CU Connect to register for classes. You can call any time after your time assignment begins, through midnight on August 16. (Exception: CU Connect will not be available for confirmed registration July 14-31.) However, confirmed registration is conducted on a first-come, first-served basis, and it's to your advantage to call as soon as possible after your registration time assignment begins. Classes fill up quickly throughout the registration period. **Note:** You must clear all stops before registering.

### FINDING YOUR PERSONAL IDENTIFICATION NUMBER (PIN)

Your invitation to register also includes your PIN, which allows you to access CU Connect, CUline-PLUS, and the financial aid telephone system. Your PIN is a randomly set number, must be kept confidential, and will remain the same throughout your career at CU-Boulder.

**Note:** Certain data specific to you is available on these systems. Your PIN controls access to this information. Federal privacy laws and University policies guarantee your right to access your own data and protect this data from unauthorized access by others. Unauthorized access of student data can result in student conduct disciplinary action and/or civil and criminal proceedings. The University will provide reasonable physical and electronic security for this data, but it is up to you not to compromise the security of this information. If you feel that your PIN is not secure, contact the registrar's office in Regent 105, and another PIN will be assigned to you.

### 2 Getting Your Time Assignment

Registration time assignments are based on class standing, with graduating seniors receiving the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and second-semester freshmen. Time assignments are based on your class standing, including the number of hours you have completed at CU (any campus), any transfer credit, and any classes you are currently enrolled in (as of February 22). Within these groups, the time assignments are random. Any changes made after February 22 (courses dropped or added, additional transfer credit) will not change your time assignment.

### 3 Filling Out Your Registration Form

• *This form is located on page 113 (use the schedule-planning worksheet on page 112 for practice).*

Use the schedule-planning worksheet on page 112 to fill out a preliminary schedule for fall 1994. Then, fill out your confirmed registration form on page 113

before calling CU Connect. It is always a good idea to include additional class choices on your confirmed registration form in case classes you request are full.

### 4 Getting Academic Advising

If you are required to see an academic advisor (indicated on your invitation to register), call or visit your department office as soon as possible. Bring your completed confirmed registration form to your appointment. You will not be allowed to register until you have met with your advisor. (See page 10 for more information.)

### 5 Calling CU Connect and Registering

Call CU Connect, (303) 938-8110, from any touch-tone phone. Use the function codes listed on the confirmed registration form, as well as on page 112. You may call any time after your assigned time begins. Follow the instructions on the confirmed registration form.

CU Connect is available Monday through Friday, 7:00 a.m. to 7:00 p.m. and 8:00 p.m. to midnight. It is also available on Sundays from 11:00 a.m. to midnight.

CU Connect will *not* be available May 30, July 4, July 26-31, August 17-21, after 12:00 p.m. on Friday afternoons, June 10-July 8, or after 10:00 p.m. on June 1 and August 19. Between July 14 and July 25, CU Connect will *only* be available for new freshmen and transfer course-request registration.

### 6 Adjusting Your Schedule

• *Make your changes before you return for classes in the fall!*

Once you have registered, you will be able to make adjustments to your

## CONFIRMED REGISTRATION

schedule by calling CU Connect and dropping or adding classes. Simply follow the CU Connect function codes, described and illustrated on the confirmed registration form, to add or drop classes from your schedule.

### SEARCHING FOR OPEN COURSE SECTIONS

If you request a course section that has been canceled or is full, the computerized telephone voice will ask you if you want to conduct a search for open sections of that course. If you do, press 7#.

CU Connect will search for another section of the course that is available during the same time period. If one is available, you can place yourself in that section. If one is not available, CU Connect will search for any open section, beginning with the first section of the course that is open and fits your schedule, until it is determined that no section for that course is currently open and available.

### COURSE TIME CHANGES

- *Original sections may be canceled and a new section added.*

Sometimes academic departments must change the time a course is offered after the *Registration Handbook and Schedule of Courses* has been published. If this is the case, the department cancels the original section and adds a new section that reflects the time change.

If you register for a course and CU Connect tells you the course has been canceled, please try the search option (7#). CU Connect lets you know if the new section of the course with the time change is available and fits in with your schedule.

### Listing Your Schedule

You can list your schedule any time by calling CU Connect and pressing 5# after you have entered your PIN. If you put your name on a course wait list, you will want to list your schedule frequently to find out if you have been enrolled in the class. Be sure to list your courses on CU Connect or look them up on CUline-PLUS before September 9 to check the status of wait-listed courses.

# Car of the Week

## A WEEK OF FREE ADVERTISING

Every week a different brand name of car (i.e.: Subaru, Jeep, VW or Honda) will be chosen as our "car of the week". If that brand happens to be a car you're trying to sell, run it in the *Colorado Daily Classifieds* free for five days. That's more than 50,000 readers you'll reach—**FREE**.

## WAIT LISTS

**T**hroughout confirmed registration and schedule adjustment, if you are eligible to take a course but find it has been closed, you may put your name on a computerized wait list for a course that is currently filled but may have openings later in the registration process. Each department determines if a wait list will be offered for a course and what type of wait list will be used.

The *automatic wait list* is set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.

The *resequenced wait list* uses a priority system to determine who gets to enroll in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

CU Connect will inform you if a class you have requested has a wait list and will give you the option of adding your name to the list. Simply press 9# when prompted and listen for verification.

### Wait-Listed Courses

Placing your name on a wait list does not guarantee that you will be able to enroll in that class. Depending on the total number of spaces and the demand for each particular course, spaces may or may not become available at a future time. It helps to have a list of alternate course choices if you should not get enrolled in a course from the wait list. You may go to the registrar's office in Regent 105, to a central schedule-adjustment location, or use CUline (see page 12) to check lists of all available classes, open classes that meet core curriculum requirements, and open classes by meeting time.

**Please note:** Wait-listed hours are included in your credit load limit. (See page 11.) You cannot be enrolled and wait-listed for courses offered at the same time, and you cannot be wait-listed for two courses offered at the same time.

### Deadlines for Wait Lists

- *Deadline is September 6!*

You will be able to place your name on course wait lists through midnight on Tuesday, September 6. At that time, all wait lists will be frozen.

If you are automatically enrolled from a wait list (September 6 or earlier) into a class that you no longer want, and you fail to drop it by September 9, you may be charged additional tuition for the class based upon your number of credit hours. Also, if you do not attend a course you have been enrolled in, you will receive an *F* for that class.

If you are on a wait list as of September 7 and are still interested in taking that class, you should check with the department offering that course. You must let the department know you are still interested in the course, should an opening occur. There is no automatic enrollment from wait lists after September 6. **All department wait lists will be canceled at 4:00 p.m. on Friday, September 9, the last day to drop and add classes.**

### Wait Lists for Labs and Recitations

- *You must be enrolled in all parts of a lecture/lab/recitation by September 9!*

If you are closed out of a lecture course that has a lab or recitation, you can only be placed on a wait list for the lecture portion of the course. Once you are enrolled in the lecture course from the wait list, you must then add the lab and/or recitation via CU Connect.

You must be enrolled in required labs and recitations by September 9, the last day of schedule adjustment.

### Wait-List Positions

When you place your name on a wait list, the total number of students already on the list is announced. As wait-list positions constantly change during the registration and schedule-adjustment periods, it's a good idea to list your schedule frequently to find out your position on the wait list. Call CU Connect to list your schedule (see the instructions on page 18). If you are wait-listed for any courses, your wait-list position (normally current within the last 24 hours) will be announced when you list your schedule. But, CU Connect will not tell you what "type" of wait list you're on.

**Please note:** From August 17 to 26, CU Connect will only be able to tell you your wait-list position when you list your schedule, *after 8:00 p.m.*

*It is your responsibility to call CU Connect to find out if you have been enrolled in a class.* When a space opens up for you from a wait list, you will be automatically enrolled in the class. **No verification will be sent.**

Beginning August 22, you can find out your wait-list position at any schedule-adjustment site. (See page 21.) If you choose not to remain on a wait list or if you find that you have been enrolled in a course that you no longer want, drop your name from it as soon as possible by entering 3\*, followed by the course call number. Other students will be waiting to enroll in the course from the wait list.

## RECEIVING YOUR SCHEDULE/BILL

If you are a continuing, new graduate, or readmitted student and you register by August 12, you will receive your class schedule/bill and ID validation sticker in the mail. (These are mailed to your permanent address.) If you receive yours in the mail, and there are no corrections to your class schedule, you don't need to come to campus to pick up another copy. Affix your ID validation sticker to the lower right-hand corner on the picture side of your CU-Boulder photo ID, and pay your bill by September 2.

If you make significant changes to your class schedule after you receive it in the mail, you need another copy of your class schedule, or you need a replacement ID validation sticker, you can get a printout of your schedule and your bill and a replacement ID validation sticker in room 1 of the Coors Events/Conference Center, August 22-23, 8:30 a.m. to 4:00 p.m. (except on August 23 from 8:30 a.m. to 7:00 p.m.) From August 24 to 26, printouts of your schedule and bill and replacement ID validation stickers will be available on the upper concourse level, Coors Events/Conference Center, 8:30 a.m. to 4:00 p.m.

If you register *after* August 12, or if you are a new transfer student, you may pick up your schedule/bill and have your ID validated on August 22, 8:30 a.m. to 4:00 p.m. (and August 23 from 8:30 a.m. to 7:00 p.m.) at the Coors Events/Conference Center, conference level, as follows:

- Last name begins A-I, room 2
- Last name begins J-S, room 3
- Last name begins T-Z, room 5

From August 24 to 26, you may pick up your schedule/bill and ID validation sticker at the upper concourse level, Coors Events/Conference Center, 8:30 a.m. to 4:00 p.m. From August 29 through September 9, pick up your schedule/bill and ID validation sticker at Regent, room 1B60.

### Validating Your ID

Students who receive their schedule/bill in the mail will also receive their ID validation sticker. Please affix your ID validation sticker to the lower right-hand corner on the picture side of your CU-Boulder photo ID. Be sure not to cover your name and student number.

If you did not receive these in the mail, you may pick up your schedule/bill and have your CU-Boulder photo ID validated at the Coors Events/Conference Center August 22-26.

If you add more than one course and need a full-fees sticker after receiving a base-fees sticker, you may obtain the proper validation sticker in the Office of the Registrar, Regent 105.

There is a \$2 charge for replacement validation stickers (except during the week of August 22-26 at the Coors Events/Conference Center when replacement ID validation stickers are free). Note: CU-Boulder photo IDs and ID validation stickers are not transferable. Any person who uses the CU-Boulder photo ID or ID validation sticker of another student, or allows his or her ID to be used by another student, may be subject to disciplinary action.

### Understanding Your Schedule/Bill

Your class schedule lists the courses for which you are registered. If a message instead of a course title is listed, or if a course you requested does not appear, you are not registered for that course.

Some reasons you may not have been enrolled in a course are listed below.

#### "STUDENT INELIGIBLE FOR COURSE"

• **Class Restriction.** Class enrollment may be limited to students who have earned a certain number of hours by the end of the spring semester or by class level. Class restrictions are not likely to change during the schedule-adjustment period.

• **Controlled Enrollment.** Special authorization is required from the department before requesting the class. See the department for information.

• **Major Restriction.** Enrollment is limited to students in specific majors, colleges, or schools. These restrictions are not likely to change during the schedule-adjustment period.

#### "COURSE CANCELED"

Either the course or the section you requested was canceled. Contact the department for additional information or try adding a different course or section.

## ADJUSTING YOUR SCHEDULE

**Y**ou may use CU Connect to list your schedule and to make changes during your registration period, as well as during the final schedule-adjustment period (the first three weeks of the fall semester, August 22 through September 9).

### Schedule-Adjustment Time Assignments

Time assignments during the final schedule-adjustment period are based upon the last two digits of your student number. **This time assignment is for both computer terminals and for CU Connect.** Time assignments ensure that there will not be too large a volume of students calling CU Connect or going to computer terminals at one time. Schedule-adjustment (drop/add) time assignments are indicated below and will not appear on the class schedule/bill you receive in the mail.

The system will not allow early transactions; therefore, you will *not* be able to drop or add classes before your time assignment. In addition, time assignments will be rotated each semester to ensure fairness.

#### SCHEDULE ADJUSTMENT TIME ASSIGNMENTS

*Time assignments will be strictly enforced.*

### Adjusting Your Schedule

- Use the schedule adjustment form on page 115.

Complete the form on page 115 of this handbook, filling out call numbers, department abbreviations, and course numbers of classes that you want to drop and/or add to your schedule. Because there will be many closed courses, you should have several second-choice courses available. Lists of available courses can be found at the central schedule-adjustment site (Coors Events/Conference Center), in Regent 105, and on CULine.

If you would like to add a controlled enrollment or an independent study course, you must go to the department offering the course. Staff there will either enroll you in the course on-line or will give you a special action form to take to the central schedule-adjustment location.

### Adjusting Your Schedule at a Computer Terminal

- Computer terminals will be available in academic departments and the Coors Events/Conference Center (August 22 through August 26) and Regent 1B60 (August 29 through September 9).

To change your schedule at a computer terminal (during the schedule-adjustment period of August 22 through Sep-

tember 9), go to any of the computer terminal locations set up throughout campus (see below) after your schedule-adjustment time assignment begins, and a computer operator will assist you. A photo ID is required to change your schedule at a computer terminal.

Take your schedule-adjustment form (filled out), this handbook, and a photo ID with you to a terminal.

When adjusting your schedule at a computer terminal, you must have the course subject, the course number, and the section number. Refer to your completed schedule-adjustment form on page 115.

When you go to an academic department, you can do all of your schedule-adjustment activity for any department or college at that location. (See pages 32-33 for a list of locations.)

#### SCHEDULE ADJUSTMENT (DROP/ADD) SITES

## ADJUSTING YOUR SCHEDULE

### Changing Credit Status

In order to make any section change or a change of pass/fail, no credit, or variable-credit status over the phone or at an academic department, a course must be dropped and then immediately added. If you make these changes by phone, there is the possibility you will not be able to add the course back once you have dropped it. It is best, therefore, to make these changes at the Coors Events/Conference Center (August 22 through August 26) or Regent 1B60 (August 29 through September 9).

### Adjusting Your Schedule by Phone

- You may drop and add classes via CU Connect any time after your schedule-adjustment time assignment begins.

To adjust your schedule by phone, follow the confirmed-registration instructions on pages 17-18.

#### CU CONNECT HOURS

**August 22-September 8**  
Monday-Friday  
(including Labor Day holiday)  
7:00 a.m.-7:00 p.m. and  
8:00 p.m.-midnight;  
Sundays, 11:00 a.m.-midnight

#### September 9

7:00 a.m.-4:00 p.m.

*After 4:00 p.m. on September 9, you may only list your fall class schedule via CU Connect.*

### Deadline for Schedule Adjustment (Drop/Add)

- Friday, September 9, at 4:00 p.m.

The deadline for dropping and adding classes for fall semester 1994 is 4:00 p.m., Friday, September 9. After that time, no adds will be permitted unless there are extenuating circumstances, and no tuition adjustments will be made for dropped classes. Please make your changes early to avoid the deadline rush.

After September 9, to add a class you must contact your dean's office to begin this process and must have both your instructor's and your dean's approval on a special action form. Again, no "adds" will be permitted unless there are extenuating circumstances.

Between September 9 and October 4 (4:00 p.m.), to drop a class you must be passing it, and a special action form must be completed and signed by your instructor and turned in to the registrar's office.

After October 4, you cannot drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.). To drop a class after October 4, you must have your instructor's approval, as well as the approval of your dean. Their signatures must be on a special action form, or your request will not be processed.

### Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. Please check with departments for policies concerning administrative drops.

**Note:** If you stop attending a course without officially dropping it, you will receive a grade of *F* in that course.

### List Your Schedule Often!

There are benefits to listing your schedule via CU Connect. (See the instructions on page 18.) These benefits are:

#### FINDING OUT YOUR POSITION ON A WAIT LIST

If you are on a wait list and you list your schedule via CU Connect, CU Connect will tell you your specific position on a wait list. **Exception:** From August 17 to 26, you'll only be able to hear your wait-list position when you list your schedule *after* 8:00 p.m. Wait-list positions are normally updated nightly.

#### VERIFYING YOUR SCHEDULE

List your schedule to verify your classes and make any appropriate adjustments before the drop/add deadline (4:00 p.m. on September 9).

### Wait Lists—Important!

- Check your schedule often, using the list option (5#) to find out if you have been enrolled in a class.

Remember to check CU Connect for your wait-list status. It's easy to do! Simply call CU Connect after your time assignment begins to list your schedule or go to a terminal to check your status. If you forget that you are on a wait list and are placed in a class and do not drop it by September 9, you may be charged tuition for the class, and you will receive an *F*, even if you do not attend it.

## TUITION AND FEES

If you receive financial aid, direct student lending will affect your tuition and fee bill. Please see pages 27-29 for up-to-date information.

Tuition and fees are due by Friday, September 2 at 4:00 p.m. There are penalties for nonpayment and for late payment (see page 26). *Postmarks are not honored.*

**Note:** The 1994-95 tuition and fee rates were not set at the time of printing. These rates are normally determined in June. New students will be notified of the 1994-95 tuition rates in

July. Continuing students who register by August 12 will receive their fall tuition bill in the mail in August. All other rates below are also 1993-94 rates.

### GRADUATE STUDENT ADDITIONAL TUITION INFORMATION

If you are taking other courses in addition to Master's Candidate (6940-6949) or Ph.D. Dissertation (8990-8999), refer to the graduate tuition chart below for your assessment.

**In-State:** Students enrolled in only Master's Candidate (B Grad Status; course numbers 6940-6949) will be assessed

tuition at the following flat rate: Business, \$525; Engineering, \$537; Law, \$600; MBA, \$552; all others, \$465.

Students taking only Ph.D. Dissertation (E Grad Status; course numbers 8990-8999) will be assessed tuition at the same in-state rates as listed in the graduate tuition chart.

Students registered as Approved Doctoral Candidate (D Grad Status) will be assessed tuition at the same in-state rates as listed in the graduate tuition chart.

**Out-of-State:** Students taking only Master's Candidate (B Grad Status;

Students registered as Approved Doctoral Candidate (D Grad Status) and those taking only Ph.D. Dissertation (E Grad Status; course numbers 8990-8999) will be assessed tuition at the following rate, multiplied by the number of credit hours of enrollment: Business, \$388; Engineering, \$389; Law, \$403; MBA, \$395; all others, \$377.

### Understanding Tuition Charges

- *After September 9, there will be no tuition or course fee adjustments for courses dropped. However, tuition for classes added will be assessed and billed.*
- *A tuition surcharge is assessed for every credit hour over 18.*
- *Tuition for a no-credit course is the same as for a course taken for credit.*
- *Tuition for a 0-credit-hour course is charged at the rate of a 1-credit-hour course.*
- *Nondegree students with a prior baccalaureate are assessed tuition at the graduate student rate.*
- *Nondegree students without a baccalaureate degree are assessed tuition at the undergraduate rate.*

### Residency

If you are an out-of-state resident seeking in-state tuition classification for fall 1994, you should turn in your residency petition by 4:00 p.m., July 29, 1994, to the Tuition Classification Office in Regent 1B54, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068.

Petitions will still be accepted through August 26, 1994, but you will not

receive a decision by the tuition payment deadline. Adjustments and reimbursements will be made if your application is approved.

Students submitting a completed petition by May 13, 1994, will receive a decision by the enrollment-deposit refund deadline of July 28. If you are a financial-aid recipient seeking in-state classification, be sure to submit your petition by May 13, 1994 to make sure your financial-aid award is processed in time for fall semester.

Complete information regarding the requirements for in-state residency status is available from the Tuition Classification Office, Regent 1B54, or by calling (303) 492-6868.

### UCSU Student Fees

Mandatory UCSU student fees of \$171.65 are considered as important as tuition and may only be waived due to extraordinary circumstances. If fees are waived, students must still pay the base fee of \$33.98. Students who wish to petition for a waiver of UCSU fees must

do so by 4:00 p.m. on September 2. *No late petitions will be accepted.* Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and must include documentation of the reasons for waiving the fees. **Note:** Students covered by the student health insurance cannot have their full student fees waived.

All Boulder main-campus students taking one course of 5 or fewer hours will be assessed a base fee of \$33.98 and will receive a base-fees sticker for their ID. These students will not be allowed to use Wardenburg Services or the Recreation Center unless they pay separate, one-time user fees or full student fees. Doctoral students taking thesis hours only and master's candidates for degree taking thesis hours only will only be assessed the base fees, unless they have the student health insurance. Then, they must pay full student fees. Approved doctoral candidates will be assessed only the base fees unless they have the student health insurance, and then they will pay doctoral fees of \$84.21.

### Mandatory Fees Per Semester (1993-94)

**Note:** The 1994-95 fee rates were not set at the time of printing. These rates are normally determined in June.

#### Student Activity Fee

For students taking one class of 5 or fewer credit hours	\$33.98
For students taking one class of more than 5 credit hours	171.65
For students taking more than one class (any amount of hours)	171.65

#### Student Information System (SIS) Fee

Mandatory for all students	\$6.00
----------------------------	--------

#### Student Computing Fee

Credit hours of 6 or less	\$6.00
Credit hours of 7 or more	12.00

#### Athletic Fee

For students taking 3 or fewer credit hours	\$0.00
For students taking 4 or more credit hours	28.50

## TUITION AND FEES

### Mandatory Fee Information

In addition to UCSU student fees, all students are assessed an RTD bus-pass fee. The fee (\$11.25 a semester for all students) entitles you to free unlimited ridership, using your validated student ID, on local and express bus routes. To ride the regional routes, you must pay a fare of \$1 each time.

Also, students registered for 4 or more credit hours are assessed an athletic fee of \$28.50 each semester. Students are also charged a nominal fee for basic computing and information services. Students enrolled for 6 or fewer credit hours are charged \$6; students enrolled for 7 or more credit hours are charged \$12. In addition, a Student Information System (SIS) fee of \$6.00 is mandatory for all students!

### Course Fees

Course fees are assessed to help offset the higher costs of specialized supplies, equipment, and materials that are required to teach courses in certain departments. These fees are used to purchase studio and laboratory supplies and equipment. Course fees are assessed for each course taught in the following departments.

#### COURSE FEES (1993-94)

Astrophysical, Planetary, and Atmospheric Sciences	\$20
Chemistry and Biochemistry	\$20
Engineering	\$ 9
EPO Biology	\$20
Geological Sciences	\$20
Journalism	\$15
Kinesiology	\$20
MCD Biology	\$20
Music	\$12
Physics	\$20

Note: Course fees for 1994-95 have not yet been determined.

Course fees also exist in the College of Architecture and Planning, the Department of Fine Arts, the School of Law, and the Departments of Anthropology, Geography, Film Studies, and Dance. In addition, lab courses not linked to a lecture course may require payment of a course fee.

Comments concerning course fees are welcome and should be addressed in writing to the Office of the Chancellor, Campus Box 17.

### Matriculation Fee

There is a one-time, nonrefundable matriculation fee of \$15, which is assessed at the time of initial registration, for students entering a program and for new degree students. Nondegree students who are admitted to degree status are assessed the matriculation fee at the time of their first registration after they have become degree-seeking students.

### Enrollment Deposit

Your \$200 enrollment deposit will be held for you until you graduate or officially withdraw from the University within established dates and guidelines (see page 31 for the "Withdrawal Refund or Assessment Schedule"). At that time, the deposit will be credited toward any outstanding financial obligations you have, and a refund will be mailed to you within approximately eight weeks.

If you elect to enroll at the University in the semester following graduation, your enrollment deposit will remain on your account. It will be refunded to you, in accordance with established University policy, when you are no longer enrolled.

### Student Health Insurance

All students enrolled for 6 credit hours or more on September 9, 1994 will automatically be assessed for student

health insurance, which provides up to 100-percent coverage for eligible medical costs incurred at Wardenburg Student Health Center (WSHC). It provides 75- to 100-percent coverage, after a deductible is satisfied, at other medical facilities, depending upon the type of service rendered and the provider. The plan provides up to \$250,000 in coverage per illness or injury on a world-wide basis. Benefits are provided all year round when both fall and spring semester coverage are purchased.

If you are taking 5 or fewer credit hours, or are enrolled in the SAVE, Continuing Education, or Time Out Program, the University-sponsored health plan is available at the same price that full-time students pay. To become eligible to purchase the insurance, you must first pay full UCSU student fees. **Exception:** Status D graduate students requesting student group insurance will be charged full price for the insurance, and UCSU student fees may be reduced. Students with 5 or fewer semester hours, or in the programs listed above, wishing to enroll in the Student Health Plan, need to sign up at WSHC.

If you hold at least a 20% appointment as a teaching, research, or graduate assistant, or as a graduate part-time instructor, you are eligible for a contribution toward student insurance. The University will contribute a portion of the cost toward either Option A or B.

If you do not wish to purchase the student health insurance, you may complete a waiver to remove this charge from your bill. To be honored, waivers must be turned in to WSHC by September 2, 1994. You do not need to submit a selection/waiver form in the spring semester if you submit one in the fall 1994 semester, unless you wish to change your insurance option.

## PAYING YOUR BILL

**T**o pay your bill, make out a personal check, certified check, or cashier's check to the University of Colorado. Make sure your name and student number are on the check. Mail the check with the top portion of your bill to the Denver post office box noted on the bill, or use one of the tuition drop boxes in the lobby and at the north and south entrances of Regent. *Do not use campus mail.* The payment deadline is 4:00 p.m. on **Friday, September 2.**

**Note:** All checks containing restrictive endorsements are null and void and nonbinding on the University.

Permanent drop boxes are located outside Regent Administrative Center at the north and south entrances. The boxes are available 24 hours a day, seven days a week, for any bills owed to the Bursar's Office. There also will be tuition-payment drop boxes at the deferred-tuition area in the Coors Events/Conference Center from August 22 through September 2.

If you must send payments via express mail, send them to the Bursar's Office, Regent Hall, Room 175, CU-Boulder, Boulder, CO 80309-0041.

If you are using the U.S. Postal Service, please mail your payment early. **The University must receive your bill by September 2.** *Postmark dates are not honored.* If you do not receive a tuition and fee bill, you are still responsible for knowing the amount of your bill and for paying it on time.

For your convenience, the Bursar's Office will have extended hours on Tuesday, August 30. It will be open 8:30 a.m. to 7:00 p.m. for billing questions, tuition payment, loan- and refund-check distribution, deferred tuition, and short-term loans.

### FALL 1994 PAYMENT DEADLINES (including all outstanding charges)

Friday, September 2  
Friday, October 7  
Friday, November 4  
Wednesday, December 7

### Tuition Payment Option— Deferred Tuition

If you foresee any problem in paying your bill in full by the September 2 deadline, you can elect to defer up to one-half of your balance due. By completing and returning the deferred tuition agreement located on the reverse side of your schedule/bill, you will be allowed to pay one-half of the amount due on September 2. You will need to pay the remaining balance plus a one-percent finance charge by October 7, 1994.

If you do not receive a schedule/bill in the mail, or if the deferred tuition agreement is not part of your schedule/bill, you may also defer your tuition at the Coors Events/Conference Center, August 22-September 2, between 8:30 a.m. and 4:00 p.m. (except 8:30 a.m. to 7:00 p.m. on August 23).

### Failure to Pay in Full by the Deadline

University policy requires that a financial stop be placed on your record if you fail to pay your full tuition and fee bill by the published deadline. This stop will prevent you from registering for any future terms, receiving your diploma, or receiving an academic transcript of your work at the University; you may also be withdrawn from the University for future terms.

Colorado law requires the University to place all delinquent accounts with the state's Central Collection Services Office. If your account is referred to a collection agency, you must pay any collection costs allowed by the Uniform Consumer Credit Code.

A late-payment charge, in addition to a service charge on the unpaid balance (one-percent per month), will be assessed according to the following schedule:

BALANCE DUE	LATE CHARGE
\$ 1-\$99.99	\$5
100-299.99	10
300-499.99	20
500-699.99	30
700-899.99	40
\$900 and over	\$50

### First-Time Federal Direct Student Loan Borrowers ONLY

Loan funds will be delayed until approximately September 21 for undergraduate students in the first year of a program or undergraduate transfer students with less than 30 hours at CU-Boulder who are borrowing a federal loan for the first time at CU-Boulder. Late and service charges will not be assessed on the amount of the loan proceeds for these students. Therefore, for all balances as of September 2, 1994, the late payment and service charges listed above will be assessed on the unpaid balance *minus* the amount of the delayed loan proceeds disbursed for fall 1994.

### Personal Check Policy

Any student writing a bad check (regardless of the amount) to the University may be subject to late charges and service charges, and a stop will be placed on the student's record. This stop prevents the student from registering for any future terms, receiving a diploma, dropping or adding classes, or receiving an academic transcript of work at the University; the student may also be withdrawn from the University for future terms. A \$17 returned-check charge will be assessed, in addition to the amount due to the University. The student may also be liable for collection

## PAYING YOUR BILL

costs and prosecution under the Colorado Criminal Statutes. CU-Boulder is a member of the Boulder Credit Bureau. Specific inquiries concerning reporting of bad checks should be directed to the Student Debt Management Department of the Bursar's Office (303) 492-5571.

### Student Loan Changes— New for Fall 1994

The University of Colorado has been selected to participate in the Federal Direct Student Loan program beginning in the fall 1994 semester. What does this mean to you?

- *Student loan proceeds will be applied directly to your tuition and fee bill. In the past, the entire loan check was given to you.*

- *Now you only have to go to the Coors Events/Conference Center if your loan or any other financial aid has resulted in an overpayment (the amount of financial aid exceeds what is owed on the bill) of your account. A refund check will be available for pick up.*

Distribution of PLUS loans is currently being reviewed by the Office of Education.

**Please note:** Since your student loan will be applied directly to your tuition and fee bill, it is important that you plan ahead to have adequate funds for the beginning of the semester for books, rent, etc.

#### ADDITIONAL BENEFITS:

- *Applications will be processed through the Financial Aid Office instead of outside lenders.*

- *The origination fee will be reduced so more money will be available to you.*

### Tuition and Fee Information from CULine-PLUS

Do you need to know how much you owe on your tuition and fee bill? Has your financial aid (including loan proceeds) been applied to your bill and is a refund check available to pick up? What is the due date of the next tuition and fee bill, and what happens if it is past due?

All these questions can be answered by accessing CULine-PLUS anytime, including nights and weekends, at various terminals located around the campus. If you have any questions regarding tuition information on CULine-PLUS, please call the Bursar's Office at (303) 492-5381.

## FINANCIAL AID

If you meet all of the qualifications to receive your student aid funds, your scholarship, grant, or loan proceeds will be applied automatically to your schedule/bill. (Look up your bill on CUline-PLUS if your financial aid does not appear.)

### Federal Direct Student Loans

Beginning with the fall 1994 semester, all loans borrowed under the Federal Direct Student Loan Program will be credited to your University bill, provided you meet all the eligibility criteria to receive your financial aid.

**Note: First-time borrowers at CU-Boulder.** Loan funds will be delayed until approximately September 21 for undergraduate students in the first year of a program and undergraduate transfer students with less than 30 hours at CU-Boulder who are borrowing a federal loan for the first time at CU-Boulder. Refer to the "Paying Your Bill" section (pages 26-27) regarding the payment of your tuition bill.

All students borrowing a federal loan for the first time at CU-Boulder are required to watch a video that outlines the responsibilities of borrowing federal funds. Once the video has been viewed, the loan funds can be applied to your tuition and fee bill. Refer to CUline for times and locations of entrance interviews.

Please note that if you accepted a fall/spring loan (including PLUS), the total amount of the loan will be divided evenly between the fall and spring semesters.

If you borrow a fall loan only, one-half of the net amount will be applied August 22, and the remaining loan funds will be applied halfway through the semester (exception: first-time borrowers).

**Note: First-Time Borrowers at CU-Boulder.** For all first-time borrowers, one half of the net amount will be applied approximately September 21, and the remaining loan funds will be applied halfway through the semester.

The net amount (loan amount minus fees) will be applied to your tuition and fee bill.

Refund checks for any financial aid (including direct loan proceeds) in excess of your tuition and fee bill will be available at the Coors/Events Conference Center from August 22 to September 2, 8:30 a.m. to 4:00 p.m. (until 7:00 p.m. on Tuesday, August 23).

### Federal Perkins Loans

If you are awarded and accept your fall Federal Perkins loan and sign your promissory note, your Perkins loan will be applied to your bill. If you did not sign the promissory note, you may do so at the Coors Events/Conference Center from August 22 through September 2, 8:30 a.m. to 4:00 p.m. (until 7:00 p.m. on Tuesday, August 23).

Beginning September 6, you may sign your promissory note at the Office of Financial Aid, Environmental Design, room 2. If you have questions about Federal Perkins loans, call (303) 492-5091, and press \*H.

### Short-Term Loans

Short-term loans are available through the Office of Financial Aid for students whose aid funds are delayed or who have experienced a shortage of funds to meet some expense.

To qualify, you must be at least 18 years of age and be enrolled at least half-time on the Boulder campus (SAVE and continuing education students are not eligible). You must also present a photo ID. All loans must be backed by financial aid or have a co-signer who is either a faculty or staff member or a student at CU-Boulder. The maximum amount that can be borrowed is \$500.

Short-term loan funds are available during periods of enrollment and between fall and spring semesters.

## Looking for Housing Off Campus?

The Off-Campus Student Services Office is an excellent resource for students looking for a place to live. We provide personalized computer listings of houses, apartments and roommates. We maintain the largest listing of available student housing in Boulder.

## FINANCIAL AID

Students who find themselves short of cash during other periods may seek a short-term loan from the University of Colorado Federal Credit Union. Criteria for that loan can be obtained directly from the Credit Union at (303) 443-4672.

### Refund Checks

Checks for financial aid funds in excess of your University bill will be available at the Coors Events/Conference Center, August 22 through September 2, 8:30 a.m. to 4:00 p.m. (until 7:00 p.m. on Tuesday, August 23). Beginning September 6, you may pick up your check at the Bursar's Office in Regent Administrative Center. Checks for the balance of funds will *not* be mailed.

### Reasonable Academic Progress

In order to receive financial aid, you must maintain reasonable academic progress toward a degree. This policy is published in a fact sheet and is available

at the Office of Financial Aid, Environmental Design, room 2.

### Automated Phone System

If you call from a touch-tone phone, you may request services or receive financial aid information (day or night) from our automated phone system. Call 492-5091, and press 1 and 1 again to access your own financial aid file. Have your student ID number and PIN ready. From 9:00 a.m. to 4:00 p.m., Monday through Friday, you may call and press \*H to speak with a financial aid advisor. If you call and press 2, you will get Student Employment. Avoid lines and waiting for advisors. Use the automated phone system!

### Veterans' Benefits

If you are entitled to veterans' benefits, it's important that you write or call Veterans' Services, Office of Financial Aid, Campus Box 106, CU-Boulder, Boulder, CO 80309-0106, (303) 492-7322.

## OTHER REGISTRATIONS

**A** number of different registrations are held each semester for specific categories of students. If you have questions about any of these special registrations, please call the number listed in that section or see the *University of Colorado at Boulder Catalog*.

### Concurrent Registration

• *Obtain forms in Regent 105 beginning August 15.*

If you plan to take at least one course at CU-Boulder in the fall but cannot register for all course work required for your degree program, you may be able to register concurrently on another CU campus. The course work must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must also have their advisor's approval. If all these conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus.

Concurrent registration forms and instructions will be available at the registrar's office in Regent 105 beginning August 15 from 9:00 a.m. to 4:00 p.m. You cannot register concurrently until after schedule adjustment has begun on the other campus. Boulder students pay Boulder tuition rates for all classes. For information, call (303) 492-6581.

**Note:** Graduate students should check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

### FallFEST (Freshman Experience Study Team)

The FallFEST (Freshman Experience Study Team) is a program providing incoming freshman students with the

opportunity to pursue a set of academic courses with common themes in a small-group setting. At least one course in each FallFEST includes a lecture, lab, or recitation section of approximately 25 students.

Additionally, all FallFEST participants meet once a week for six weeks, on either Monday, Wednesday, or Thursday afternoons from 4:00 p.m. to 5:30 p.m., in a small-group seminar that supports academic achievement and transition to the University community. These seminars provide the opportunity to talk with and learn from mentor students, faculty, and staff.

New freshmen can find out more about FallFEST and register for this program at their mandatory orientation session (arts and sciences and business students only). All other new freshmen can call the First Year Experience Program office at 492-4433 for information.

### High School Nondegree Registration

The high school nondegree program is coordinated by the Division of Continuing Education. Registration is held through the SAVE program. Please contact Continuing Education at (303) 492-5148.

### Intercampus Registration

If you would like to take course work on another campus of the University of Colorado, you may be able to register directly on that campus. However, you must apply for admission to that campus and follow its registration procedures. Check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campuses except in the summer.)

### Late Registration

To be guaranteed enrollment for fall 1994, all students must complete registration by midnight on August 16. (**Exception:** New freshman and transfer students attending the final arts and sciences, business, or engineering orientation must register by 10:00 p.m. on August 19.) Students who do not register by these dates (including graduate students) are subject to late registration. Only students in open categories for late registration will be allowed to register, and lower registration priority and a \$20 late fee will apply. Remember that many courses are full by this time. Continuing students can call (303) 492-6970 beginning at 9:00 a.m. on August 17 to see if they are eligible for late registration. Those students who are eligible must go to the Coors Events/Conference Center. New students must go to Admissions Processing, Regent 1B65.

### On-Campus Registration

• *Deadline to register is August 16.*

Students who are not required to attend an orientation and who have not received registration materials for fall by August 12 may pick up registration materials in Regent 105 between 9:00 a.m. and 4:00 p.m. on August 15 or 16. Telephone registration must be completed by midnight on August 16. This registration does not apply to students who must attend the final required orientation program. For more information, call the registrar's office at (303) 492-6970.

### Registration for Faculty and Staff

All permanent faculty and staff members at CU-Boulder may take 1 to 6 free credit hours each year. The academic year begins with the summer ses-

## OTHER REGISTRATIONS/WITHDRAWING

sion, and the number of free hours is determined on a prorated basis from full-time employment status. Enrollment is usually held on a space-available basis in conjunction with late registration (beginning August 23), unless the faculty or staff member wishes to register early. In that case, registration takes place via CU Connect before August 16, and full tuition and fees are charged.

Faculty and staff members who wish to take a course as nondegree students will need to take a copy of their current Personnel Action Form (PAF) and a nondegree student application to the Bursar's Office, Regent 150, by July 22, 1994. Office hours are 9:00 a.m. to 4:00 p.m. (Faculty and staff who are enrolled as nondegree students on the Boulder campus during spring semester 1994 will be set up automatically for fall 1994, although application for free credit hours must be made separately each semester.) A current PAF is required for each semester for which a waiver is needed.

Student fees will not be charged if registration takes place during late registration, except for the student computing fee of \$6 or \$12 (depending on the number of credit hours taken) and the Student Information System fee of \$6. A charge of \$11.25 for an RTD bus pass will be assessed of all students, including all registered faculty and staff. In addition, faculty and staff will be assessed all applicable course fees. Refer to the "Course Fees" section for additional information.

Course work must be taken outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to the employing department. For more information, call (303) 492-4369 or 492-3048.

### Space-Available (SAVE) Registration

Boulder campus classes may be taken by nondegree students on a space-available basis. Registration takes place at the Coors Events/Conference Center, August 25-26, 8:30 a.m. to 4:00 p.m. Tuition charges are identical to CU-Boulder rates, and payment is due in full upon enrollment.

**Exception:** Out-of-state students who want to register for only 3 credit hours or less can do so at the in-state tuition rate by registering through SAVE. (Out-of-state students registered for 4 hours or more through SAVE will be assessed at the regular out-of-state tuition rate.)

Through the SAVE program, students register for Boulder main-campus courses, but they pay Continuing Education for those courses. Newly admitted degree students who have not completed a semester on the Boulder main campus can choose this option but must register as nondegree students through SAVE and reapply through the Office of Admissions when they want to return. These students need to be aware of the number of hours they can take as nondegree students that will transfer to a degree program. For eligibility information, call Continuing Education at (303) 492-5148.

### Withdrawal Procedures

If you need to withdraw from fall semester 1994 before September 9, you can fill out a withdrawal form in the registrar's office or write a letter to the Withdrawal Coordinator, Office of the Registrar, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007.

If you withdraw after the third week of the semester (September 9), you must complete a withdrawal interview to discuss procedures for withdrawing and your

reasons for leaving. You won't need to drop your classes; this will be done for you.

If you do not officially withdraw, failing grades will be recorded for all of your classes. **Remember:** Deadlines and rules for withdrawing may vary with each college and school. Check with your dean's office concerning withdrawal rules.

Tuition assessments for first-time students with financial aid may differ from those listed below, due to enactment of the Higher Education Amendments of 1992, Part G, Section 484B. Please check with the Bursar's Office at (303) 492-5381.

WITHDRAWAL DATES	REFUND OR ASSESSMENT SCHEDULE
March 29- July 28	Full refund of enrollment deposit ( <i>for continuing students only</i> ). New, readmitted, and transfer students are not eligible for a refund.
July 29- September 9	\$200 in tuition and fees is assessed (enrollment deposit is applied to this charge).
September 10- September 23	40% of full tuition and fees is assessed, or the \$200 enrollment deposit, whichever is greater.
September 24- October 7	60% of full tuition and fees is assessed, or the \$200 enrollment deposit, whichever is greater.
October 8 and thereafter	No refund; 100% of tuition and fees due.

Norlin Library and five branch libraries  
(492-7521)

8:00 a.m.-9:00 p.m. (hours vary)

## ABOUT THE COURSE LISTINGS

The following course listings run the entire length of the two-page left column and then the entire length of the two-page right column.

### Understanding Course Numbers

Courses are numbered according to the following guidelines:

- 1000-2999 Lower-division courses (generally appropriate for freshmen and sophomores).
- 3000-4999 Upper-division courses (primarily for juniors and seniors).
- 5000-5999 Courses primarily intended for graduate students, but may be open to qualified undergraduates under some circumstances (see individual faculty).
- 6000-8999 Courses open to graduate students only (see individual department offices for special provisions).

### Understanding Course Listings

The headers at the top of each column of course listings, in order from left to right, include:

- Core Diamonds**—A diamond (◆) appears to the left of courses offered for the College of Arts and Sciences core curriculum.
- Department**—The department name, abbreviated to four letters.
- Course Number**—The four-digit number used to identify the course.
- Credits**—The number of credit hours offered for the class.

**Course Title**—Often abbreviated; refer to the catalog for the complete title and course description.

**Section Number**—This three-digit number refers to the specific meeting pattern of the course. The three-digit number alone is the lecture number. When an R precedes the section number, it indicates that the section is a recitation (rec); when an L precedes the section number, it indicates that the section is a laboratory (lab). When a recitation or lab section is indicated, it must be taken in addition to the lecture. Some classes have all three: lecture, lab, and recitation.

**Call Number**—The five-digit number, specific to a particular term, is used for requesting a specific section of a course via CU Connect.

**Time/Days**—Meeting time and days of the class (M=Monday; T=Tuesday; W=Wednesday; R=Thursday; F=Friday; S=Saturday; and U=Sunday).

**Building/Room**—The building name and room number where the class meets (see the campus map for the building abbreviations).

**Instructor**—The instructor's name, when available.

**Maximum Enrollment**—The maximum number of students allowed to enroll in the course.

When a course has a prerequisite and/or a corequisite, a note (*in italics*) appears just after the course title. Additional course notes are inserted into each course listing, as needed.

**Remember:** Some courses may not be available to you because of college or school restrictions or because of class-size limitations. Should this be the case, CU Connect will inform you with an appropriate message.

*Building abbreviations are now included on the campus map on pages 116-117.*

### Geological Sciences

THIS DEPARTMENT USES PRIMARILY AUTOMATIC WAIT LISTS. (SEE "USING WAIT LISTS" IN THE FRONT OF THIS SCHEDULE.) GRADUATE STANDING IS REQUIRED FOR ALL GRADUATE LEVEL COURSES. INDEPENDENT STUDY COURSE WORK IS AVAILABLE. PLEASE CONSULT THE DEPARTMENT OFFICE FOR FURTHER INFORMATION. GRADUATE STUDENTS NEEDING TO REGISTER FOR MASTER'S THESIS, MASTER'S DEGREE CANDIDATE, OR DOCTORAL THESIS, PLEASE CONSULT THE DEPARTMENT OFFICE FOR FURTHER INFORMATION. GEOLOGY COLLOQUIUM MEETS EVERY WEDNESDAY, 4:00 - 5:50 P.M. IN GEOLOGY 121. EACH COURSE IN THIS DEPARTMENT HAS A COURSE FEE OF \$20 FOR SPECIALIZED SUPPLIES AND EQUIPMENT.

### IV. University Mathematics Program Courses

#### A. Module Courses

THE MATHEMATICS MODULE OFFICE IS LOCATED IN MATH 165, PHONE 492-2317. MATHEMATICS COURSES NUMBERED 1000-1100 ARE ONE CREDIT FLEXIBLY PACED MINI COURSES, OR MODULES. SEVERAL MODULES MAY BE GROUPED TOGETHER TO FORM COMPLETE COURSES OF INSTRUCTION IN COLLEGE ALGEBRA, TRIGONOMETRY, AND MATHEMATICS FOR BUSINESS AND SOCIAL SCIENCES. IT IS RECOMMENDED THAT STUDENTS REGISTER FOR ONLY ONE MODULE AND THEN ADD ADDITIONAL MODULES THROUGHOUT THE SEMESTER. THE MATH MODULE OFFICE WILL ACCEPT LATE ADDS THROUGH THE 11TH WEEK OF CLASSES. SCHEDULES OF OPTIONAL LECTURES AND FURTHER DETAILS ARE AVAILABLE AT THE MODULE OFFICE, MATH 165.

MATH 1000, 1010, AND 1020 ARE FLEXIBLY- PACED MODULES IN COLLEGE ALGEBRA. THESE COURSES TOGETHER FORM THE EQUIVALENT OF A ONE SEMESTER (3 CREDIT HOUR) COURSE IN COLLEGE ALGEBRA. IT IS RECOMMENDED THAT STUDENTS REGISTER FOR ONLY ONE MODULE AND THEN ADD ADDITIONAL MODULES THROUGHOUT THE SEMESTER. THE MATH MODULE OFFICE WILL ACCEPT LATE ADDS THROUGH THE 11TH WEEK OF CLASSES.

## Graduation Plans

If you plan to graduate within the next year, you must check with your dean's office for graduation application deadlines and notification procedures. Some colleges and schools require you to come in for consultation in the semester before the semester you plan to graduate. To determine the graduation policy of your college or school, please check with your dean's office.

## Graduation Rates

Of freshmen who entered the University in summer or fall 1987 and were enrolled full time in fall 1987, 35 percent graduated within four years, 60 percent graduated within five years, and 65 percent graduated within six years. Graduation rates for the entering classes in 1988 and 1989 are similar.

## Arts and Sciences Graduation Deadlines

Arts and sciences seniors getting ready to graduate must meet specific deadlines to allow sufficient time for University processing. Please follow the deadlines below to help you graduate on time! (When deadlines fall on a weekend or holiday, use the next working day.)

### GRADUATION PACKET FILING DATES

You can obtain a graduation packet at a group advising workshop. Schedules of these workshops are available in the handout racks across from 1B85 in Old Main.

### New—Updated Core Requirements

This description of the core curriculum contains a number of changes approved by the faculty of the college in spring 1994. This version will apply to all students first enrolling in the college in summer 1994 and later. The specific changes include credit-hour requirement updates, as follows:

1. Written communication now requires 3 hours of approved lower-division course work and 3 hours of approved upper-division course work (instead of only 3 hours of course work).
2. Historical context now requires 3 hours of approved course work (instead of 6 hours).
3. United States context now requires 3 hours of approved course work (instead of 6 hours).
4. Contemporary societies now requires 3 hours of approved course work (instead of 6 hours).

Continuing students who first enrolled in the College of Arts and Sciences *before* summer 1994 may elect to graduate under the new set of core curriculum requirements. These continuing students may satisfy the written communication requirement by passing 3 hours of approved upper-division course work *or* by passing the written communication proficiency test.

Courses in bold face are offered during fall semester 1994.

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 111). You may *not* use courses taken to complete a MAPS deficiency to fulfill any area of the core curriculum, with the exception of foreign language.

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. The requirements are all listed here, with instructions and lists of courses that will fulfill each requirement. For a complete explanation of graduation requirements in the College of Arts and Sciences, see the *University of Colorado Catalog*.

Selected majors are exempt from portions of the core curriculum (see sections 4, 5, and 6 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major.

Although a single course may appear in several areas, you may use it to meet only one requirement.

### Skills Acquisition

#### I. FOREIGN LANGUAGE

While in high school, all students are required to demonstrate third-level proficiency in a single modern or classical foreign language. If you have not met this requirement at the time you enter the college, you will be required to meet the deficiency by passing an appropriate third-semester college course or by passing a CU-Boulder-approved equivalency examination. Courses offered at CU that satisfy this requirement include the following:

- CHIN 2020-10 Intensive Intermediate Modern Chinese  
 CHIN 2110-5 Intermediate Chinese I  
 CLAS 2113-4 Intermediate Classical Greek I

- CLAS 2114-4 Intermediate Latin 1  
 FREN 2110-3 Second-Year French Grammar Review and Reading 1  
 GRMN 2010-4 Intermediate German 1  
 ITAL 2110-3 Second-Year Italian Reading, Grammar, and Composition 1  
 JPNS 2020-10 Intensive Intermediate Japanese  
 JPNS 2110-5 Intermediate Japanese 1  
 NORW 2110-3 Second-Year Norwegian Reading and Conversation 1  
 PORT 2110-3 Second-Year Portuguese 1  
 PORT 2150-5 Intensive Second-Year Portuguese  
 RUSS 2010-3 Second-Year Russian Grammar and Composition 1  
 SPAN 2110-3 Second-Year Spanish 1  
 SPAN 2150-5 Intensive Second-Year Spanish  
 SWED 2110-3 Second-Year Swedish Reading and Conversation 1

#### 2. QUANTITATIVE REASONING AND MATHEMATICAL SKILLS

You are required to demonstrate minimum competence in quantitative reasoning and mathematical skills (QRMS). You can fulfill the requirement by passing one of the courses or sequences of courses listed below or by passing the CU-Boulder QRMS proficiency exam.

- a) QRMS 1010-3 Quantitative Reasoning and Mathematical Skills  
 b) MATH/QRMS 2380-3 Mathematics for the Environment  
 c) MATH 1110-3 The Spirit and Uses of Mathematics 1 and MATH 1120-3 The Spirit and Uses of Mathematics 2  
 d) PHYS 1000-3 Preparatory Physics  
 e) Any three 1-credit math modules: MATH 1000, 1010, 1020, 1030, 1040, 1050, 1060, 1070, 1080, 1090, or 1100. It is recommended that you register for clusters of three modules, for example, MATH 1000-1020, 1020-1040; 1050-1070, or 1080-1100.  
 f) Any 3 credits of mathematics courses numbered MATH 1300 and above or applied mathematics courses numbered APPM 1340 and above.

**3. WRITTEN COMMUNICATION**

Students may meet the lower-division component of this requirement by first passing one of the approved lower-division courses or by receiving a score of 3, 4, or 5 on the English Language and Composition Advanced Placement exam.

Students may then complete the upper-division component of this requirement by passing one of the approved upper-division courses or by passing the written communication proficiency exam.

1031-4	& 2 (lab included)

**Minimum Academic Preparation Standards**

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the minimum academic preparation standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

<b>English</b>	4 high school years (including 2 in composition)
<b>Mathematics</b>	3 high school years (2 in algebra and 1 in geometry)
<b>Natural Science</b>	3 high school years (including 2 in lab science, one of which must be chemistry or physics)
<b>Social Science</b>	3 high school years (including one of U.S. or world history and one of geography. A student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography)
<b>Foreign Language</b>	Completion of a third-year level course (level III) in a high school foreign language sequence

**POLICIES CONCERNING THE COMPLETION OF MAPS**

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, to transfer students, and to students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement will result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school will be required to meet the MAPS specified for the new college or school, irrespective of their completion of MAPS courses in their previous college or school.
5. Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
6. During the arts and sciences orientation, you must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.

*Note:* For additional information, consult the Arts and Sciences dean's office.
