## SPRING SEMESTER 1988 ACADEMIC CALENDAR

December 2 (Wed.)

Academic Advising, UMC Ballroom.

8:30 a.m.-4:30 p.m.

December 2-4 (Wed.-Fri.)

Spring 1988 Registration for continuing Boulder Campus degree students enrolled

Fall Semester 1987.

Law-Fleming Law 259. Pharmacy—Ekeley W-181.

All other colleges and schools—UMC Ballroom,

Wednesday, December 2, and Friday, December 4, 8:30 a.m.-4:30 p.m.; also Thursday, December 3, 8:30 a.m.-6:30 p.m.

December 9 (Wed.)

Spring 1988 registration deposit (\$100 in-state or \$300 out-of-state) due for continuing Boulder Campus degree students enrolled Fall Semester 1987.

January 6-7 (Wed.-Thurs.) Mandatory Arts and Sciences new freshman and transfer student orientation and registration.

January 7 (Thurs.)

Spring 1988 Registration for new freshman, transfer, and readmitted students who have not previously registered, UMC Ballroom, 8:30 a.m.-2:00 p.m. New Arts and Sciences freshman and transfer students, see above.

January II (Mon.)

Schedule and Bill Pickup, five locations, 8:30 a.m.-4:30 p.m. See page 4.

January 12 (Tues.)

Drop/Add day. No classes. A CU-Boulder Photo ID or copy of your Class Schedule is required to participate in Drop/Add.

Refer to Arts and Sciences and Business sections of this Schedule for important policies on Drop/Add.

Faculty and Staff Registration, Regent 125, 8:30 a.m.-4:00 p.m.

January 13 (Wed.)

Classes begin, 8:00 a.m. Drop/Add continues.

January 14-15 (Thurs.-Fri.)

Registration for Space Available Voluntary Education (SAVE) program, UMC Ballroom, 9:00 a.m.-4:00 p.m.

January 15 (Fri.)

Undergraduates who have not picked up their Class Schedule by this date will be withdrawn from the University.

January 18 (Mon.)

Martin Luther King, Jr. Day. No classes.

January 19-20 (Tues.-Wed.)

Senior Auditors Registration, Koenig Alumni Center, Tuesday, 9:00 a.m.-3:00 p.m.; Wednesday, 9:00 a.m.-noon.

January 22 (Fri.)

Tuition and Fee Bills due (including tuition, fees, room and board, etc.) by 4:00 p.m. No grace period.

Last day to add College of Business and Administration courses.

January 29 (Fri.)

Last day to add a course including Independent Study and Thesis. This ADD deadline will be in effect unless enrollment levels are reached before this date.

Deadlines

Last day to drop a course without being assessed the tuition and fees for that course and without a W showing on your transcript. All Drop Forms must be deposited at the Office of Registrations, Regent 125, by 4:00 p.m. to be computed for any tuition and fee adjustment. After this date, you must be passing your course to receive approval to drop, and you must have the signature of your instructor on your Drop Form.

Last day to withdraw from school and be assessed only your registration or confirmation deposit (\$100 in-state or \$300 out-of-state). Refer to page.

Last day to change Pass/Fail status on courses. Last day to change No Credit status on courses. (Tues.-Fri.)

February 9-12 Class Schedule Verification Forms available for pickup in the foyer of Regent Administrative

Center, 9:00 a.m.-4:30 p.m.

Last Name Begins with:

You may pick up your Verification Form:

A-F G-L

February 9 February 10

M-R S-Z

February 11 February 12

February 12 (Fri.)

Last day to withdraw from school and be assessed amount of registration or confirmation deposit (\$100 in-state or \$300 out-of-state) or 40 percent of full tuition and fees, whichever is greater.

February 15 (Mon.)

1988 Summer Session Catalog available in Regent 125.

February 23 (Tues.)

Last day to drop a class without petitioning

your dean.

February 26 (Fri.)

Last day to withdraw from school and be assessed amount of registration or confirmation deposit (\$100 in-state or \$300 out-of-state) or 60 percent of full tuition and fees, whichever is greater. No refund thereafter.

March 4 (Fri.)

Last day to pay any unpaid balance, including approved deferred tuition, by 4:00 p.m. No grace period.

March 28-April I

Spring Vacation.

(Mon.-Fri.)

April 1-30 Fall 1988 Registration for continuing Boulder Campus degree students enrolled Spring

Semester 1988.

May 2-31

Summer Session 1988 Registration for continuing Boulder Campus degree students enrolled Spring Semester 1988 and for new applicants who are eligible.

May 2

Last day of classes.

(Mon.)

Reading Day.

May 3 (Tues.)

May 4-11 (Wed.-Fri.,

Final examination period—6 days.

Mon.-Wed.)

May 13 (Fri.)

Commencement, 9:30 a.m. in the Events/ Conference Center.

July 14 (Thurs.)

Fall 1988 Registration deposit (\$100 in-state or \$300 out-of-state) due for continuing Boulder Campus degree students enrolled Spring

Semester 1988.

NOTE: The University Calendar Committee requests makeup time be provided to students who may be absent for religious reasons.

This Schedule of Courses was prepared on the basis of the best information available at the time. Due to implementation of the new Student Information System, many registration dates remain tentative. All information, including statements of fees, the calendar, course offerings, and admission and graduation requirements, is subject to change without notice or obligation.

GRADUATE STUDENTS: Additional deadline information can be found in the Graduate School section on page 39 of this publication.

#### INTRODUCTION

This Schedule of Courses contains the current academic calendar, course listings, and registration information for Spring Semester 1988. Students are responsible for knowing these deadlines and requirements. Much of the information in the Schedule helps answer questions on University policies and procedures, so it is important for students to keep a copy for the full

The most current information is announced in the instruction booklet distributed at Registration. Always read Registration Instructions carefully before proceeding through Registration.

The requirements, policies, and course descriptions of each college and school of the University are printed in the 1987-88 University of Colorado at Boulder Catalog. All students are responsible for knowing and following the provisions set forth in the Catalog. Students should also refer to a copy of the Catalog corresponding to their year of entry into CU-Boulder to find graduation requirements.

Because of the lead time required to publish the Catalog, changes in University and/or college or school rules and policies may occur in the interim. It is the student's responsibility to be aware of all such revisions. This can best be accomplished by consulting departmental advisors, checking departmental bulletin boards, and reading the Schedule of Courses sections preceding each college and school course listing.

#### REGISTRATION PROCEDURES

For further information, call (303) 492-6970.

Be sure to read the Registration Instructions available at every Registration. They contain the most current information and deadlines concerning Registration at CU-Boulder.

#### Registration Materials

#### A. Forms and Supplies You Will Need

Course Request Form—Request up to six courses on this form. If you need another, bring your original to the Information Table at Registration or to Regent 125.

Registration Deposit Form—Continuing students only-\$100 in-state or \$300 out-of-state is printed on the form. The lower half of the form must be turned in when you pay your registration deposit.

Optional Fee Form—Optional services are described and may be selected on this form. Required at Final Check for all students, whether or not optional services are

Major Advising Form—May be required at Registration Final Check in some colleges and schools. Pick up the form from your advisor or departmental office.

Course Request Form Receipt—Complete and have validated by Final Check clerks. Bring your validated receipt to Schedule and Bill Pickup on Monday, January 11.

Pencil (number 2 or Mark-Sense)—Use this on all forms. Schedule of Courses-Keep this copy for your reference throughout the semester.

CU-Boulder Photo ID-A CU-Boulder Photo ID is required of all students. A validation sticker will be provided at Schedule and Bill Pickup each semester.

## B. Understanding the Schedule of

After consulting an academic advisor, reading the advising instructions, and reviewing college and school requirements in this publication, you will be ready to select your courses.

The Schedule of Courses has a table of contents to help you locate the course listings for each college and school. At the top of each page you will find the abbreviations for the information supplied:

A = DEPT NO—The department number is essential for filling out your Course Request Form. Do not confuse this with your major code number.

**B** = DEPT—The department name abbreviated to a maximum of 4 spaces.

**C**=CRS NO—The course number. Undergraduate courses are classified as lower-division and upper-division. Courses numbered 100-299 are lower-division courses that are introductory in nature and generally intended for first- and second-year undergraduate students. However, they are open to all undergraduates. Courses numbered 300-499 are upper-division courses, generally intended for third- and fourth-year students. To enroll for some upperdivision courses, you must be a junior or senior. Courses numbered 500-599 are primarily intended for graduate students but may be open to qualified undergraduates under some circumstances (see individual professor). Normally, courses numbered 600, 700, and 800 are open to graduate students only; see college and school sections for special provisions. Courses numbered 900 or above are Independent Study courses.

**D**=CR—The number of credit hours the course offers: 3 means 3 credit hours; 2-4 indicates that credit is variable and you must indicate on your Course Request Form whether you are registering for 2, 3, or 4 credit hours.

**E**=TITLE OF COURSE—This is often abbreviated. Refer to the University of Colorado at Boulder Catalog for the complete title and a course description.

**F**=SEC—This is the section number; it means the same as the lecture number. When an L precedes the number

## Job Location and Development **Program**

The Job Location and Development (JLD) Program provides CU-Boulder students with individualized job counseling and emphasizes locating and developing part-time and seasonal employment opportunities for students while they are enrolled in school.

#### What We Can Offer You

Job match system that matches job requirements with student qualifications to expedite the placement process.

An On-Call Temporary Employment Service assists students in locating short-term and immediate employment.

#### Office of Financial Aid Student Employment Area

Environmental Design 2 (Basement) University of Colorado at Boulder Phone: 492-5091

(L004), it indicates a laboratory (lab) and is taken along with the lecture. When an R precedes the number (R010), it indicates a recitation (rec) and is taken along with the lecture. Some classes have all three: lecture, lab, and recitation.

**G**=TIME—Meeting time of the class. See the 24-hour time conversion clock on page 46.

 $\mathbf{H} = \mathsf{DAYS} - \mathsf{Meeting}$  days of the class ( $\mathbf{T}$  is Tuesday and **TH** is Thursday).

■ BLDG—The building abbreviation. See the list on page 46 of this Schedule of Courses.

**J**=ROOM—The room number.

K=INSTRUCTOR—Instructor's name is printed when available.

**L**=LIMIT—Approximate class size.

#### When selecting your courses and filling out your forms, remember the following:

Be aware that some classes may not be available due to college or school restrictions or class size limitations.

CREDIT HOUR LIMITS—Students are limited to a certain number of credit hours for which they can register. These limits do not necessarily indicate the ideal or recommended credit hour load and can be changed once the Drop/Add period begins.

_ · ·	ximum Credit Hours owed at Registration
Arts and Sciences	17

•	

also maximum per semester

Students in all colleges and schools should consult the Catalog or check with their dean's office for details on maximum number of credit hours allowed each semester.

CONTROLLED ENROLLMENT COURSES—For courses designated in the Schedule of Courses with an 800-series section number and the statement "Secure a Controlled Enrollment Form," the student must obtain an Independent Study/Thesis Approval and Controlled Enrollment Form from the department offering the course. Availability of these forms is determined in each department and will range from a week before Registration to the actual days of Registration.

A request for a Controlled Enrollment course on the Course Request Form will not be honored unless accompanied by the completed Independent Study/Thesis Approval and Controlled Enrollment Form at Registration.

INDEPENDENT STUDY AND THESIS HOURS-Students registering for courses with sections numbered 900 or above (Independent Study, Thesis, Candidate for Degree, etc.) must pick up an Independent Study/Thesis Approval and Controlled Enrollment Form from the department offering the course.

A request for an Independent Study/Thesis course on the Course Request Form will not be honored unless accompanied by the completed Independent Study/Thesis Approval and Controlled Enrollment Form at Registration.

CANDIDATE FOR MASTER'S DEGREE-Students enrolled only as "candidate for master's degree" who plan to take the comprehensive examination for the master's degree, course number 999, will receive 3 hours of credit and a grade of either pass or fail for each semester the course is taken. This course will not fulfill the minimum credit-hour requirement for the master's degree. Only master's students who must be registered to take comprehensive examinations or to defend their thesis, and who have completed all necessary course work and thesis-hour requirements, should register as "candidate for master's degree." Students must register for this course during regular Registration dates. In-state students will pay for 3 credit hours at the in-state rate. Tuition charges for outof-state students will equal 60 percent of the total charge for 3 credit hours at the out-of-state rate.

#### C. Filling Out and Submitting the Forms

The Course Request Form is the 8½" x 11" orange form. If your student name and number\* are printed on the Course Request Form, verify the information. If they are not printed, use a number 2 or Mark-Sense pencil to enter your student number in the bubbles and to add the other information on the lines.

Enter one course in each course box. In the boxes and the bubbles, enter the department number, course number, credit hours, and section numbers.

A lecture section number is required (SEC column); lab and recitation numbers (LAB and REC columns) are entered in the same course box when applicable. If there is no lab or recitation for a course, leave those areas blank.

Some laboratory classes are set up as separate courses (e.g., EPOB 123, 124). These courses must have a separate box filled in with the department, course, and section number (not lab number) indicated.

Be sure to mark the NONCREDIT bubble if you want NC for the course.

Be sure to include all zeros when filling in bubbles (as in section 001).

The Registration Deposit Form needs to be submitted with your registration deposit. If you think you may qualify for a deposit waiver because of your particular scholarship or financial aid plan, you must inquire at the appropriate office for additional information. Be very sure to complete any steps that waiving a deposit may require. Waivers are not automatically processed; the Deposit Form must still be submitted by the appropriate office by the deposit deadline.

The Optional Fee Form is the 8½"x11" blue form. It must be turned in at Registration with student number, name, and signature completed and any optional fees marked that the student wishes to select.

An Independent Study/Thesis Approval and Controlled Enrollment Form must be completed accurately. To use the form for Independent Study, indicate the appropriate term and year. Fill in your name and student number, the department number, the course number, the number of credit hours, and the instructor's full name, including middle initial. Do not bubble-in the section, lab, or recitation number. An approval signature is required from the instructor and/or department.

To use this form as a Controlled Enrollment Form, fill in your name and student number. If the course is for variable credit, indicate the credit hours. No signatures are required.

\* For record-keeping and identification of students only.

Priority in classes will be given to those students who complete their Registration correctly and on time. Students must turn in materials, pay their deposits, and pick up their Class Schedules on these designated dates:

#### Registration Dates for Spring 1988

Continuing	New, Transfer, and
Students	Readmitted Students
December 2-4	January 7

Registration deposit due by

4:00 p.m., December 9

Schedule and Bill Pickup Schedule and Bill Pickup Monday, January 11 Monday, January 11

New Arts and Sciences freshman and transfer students will register at their orientation on January 6-7.

Failure to meet these deadlines may result in assessment of late fees or in not being allowed to register for Spring Semester 1988.

#### Faculty and Staff Registration

#### **REGISTRATION PROCEDURES**

Permanent faculty and staff may take 1-6 free credit hours per academic year (Summer Session 1987, Fall Semester 1987, and Spring Semester 1988). Faculty and staff registration for Spring Semester 1988 begins on Tuesday, January 12, and continues through January 29, 1988. Instructions and the Permit to Register must be picked up at Regent f25 between 9:00 a.m and 4:30 p.m. Pick up Add Forms from the departments and turn in registration materials and Add Forms to the Student Accounts Receivable section of the Bursar's Office. Any additional Drop and Add Forms must also be submitted directly to the Bursar's Office. All materials must be turned in no later than 4:00 p.m., Friday, January 29.

Students in CATEGORY **b** (see below) who have taken their free credit hours before Spring may register December 2-4 in the UMC Ballroom. Students in CATEGORY a or c who have taken their free credit hours may register on January 7 in the UMC Ballroom or by mail if they have applied, have been accepted, and have been confirmed. Students will be charged tuition and fees for any courses for which they register before January 12. Student Activity Fees will not be charged for those courses in which a student enrolls during Late Registration (Drop/Add Period).

All faculty and staff students on campus will be assessed a nonrefundable \$4.00 SIS (Student Information System) fee. This fee is **not** covered by the tuition waiver.

#### **CATEGORIES**

- a. Nondegree students are those who wish to take University courses but do not intend to work toward a degree at the University. They must not be currently enrolled in a degree program at the University.
- b. Continuing students are those students enrolled in a degree program on the Boulder Campus for Fall Semester 1987 who are continuing to Spring Semester 1988.
- c. New undergraduate and graduate degree students (including readmit students) are those who have applied and been accepted into a degree program on the Boulder Campus.

#### PROCEDURES FOR APPLYING FOR FACULTY AND STAFF BENEFIT

All permanent faculty and staff who wish to enroll for Spring Semester 1988 must take a copy of their current Personnel Action Form (PAF) to the Student Accounts Receivable section of the Bursar's Office, Regent 150, by Wednesday, December 16, 1987. Office hours are 9:00 a.m. to 4:00 p.m. A copy of the current PAF can be secured from the department secretary.

Faculty and staff nondegree students must turn in a Nondegree Student Application (available in Accounts Receivable) and a copy of their current PAF each semester in order to apply for their 1-6 free credit hours.

Faculty and staff students who are applying to a degree program should follow the regular application procedures from the Office of Admissions. However, in order to apply for the 1-6 free credit hours, they should submit their application form and current PAF to the Student Accounts Receivable section of the Bursar's Office. After one semester, new degree students will become continuing students and will be set up automatically each semester to register, although application for any of the remaining 1-6 free credit hours must be made each semester.

Please apply for admission and benefits as soon as possible so that registration materials can be prepared by December 16, 1987.

Students' Class Schedules will not be released before January 11. If a University error has occurred, it can only be corrected on that day.

Student Class Schedules and Tuition and Fee Bills should be picked up Monday, January 11, between 8:30 a.m. and 4:30 p.m. at the following locations. CU-Boulder Photo IDs will be validated at this time.

Building

Law School 194

Music Lounge

UMC Ballroom

#### Arts and Sciences Balch Fieldhouse Business and Adminis-Events/Conference tration Center UMC Ballroom Education Engineering and Events/Conference Applied Science Center Environmental Design UMC Ballroom Graduate School, Business Graduate, and MBA (all Graduate Students UMC Ballroom except Law) UMC Ballroom Journalism and Mass Communication

Students who do not pick up their Class Schedules on January 11 may obtain them on January 12-13 at the UMC West Ballroom. After these dates, Class Schedules may be picked up at the Registration Information Window between 8:30 a.m. and 4:30 p.m. in Regent Hall.

#### Photo ID Schedule

Folsom Stadium, Room 129 (between gates 4 and 5), (303) 492-2671.

Photo ID office hours are between 11:00 a.m. and 4:00 p.m. weekdays. You must present some type of photo identification to receive your CU-Boulder Photo ID.

#### **Continuing Students**

Students who are currently enrolled must present a CU-Boulder Photo ID to receive registration materials. Replacement IDs will be made for a charge of \$7. For your convenience, the Photo ID Office will be open between 11:00 a.m. and 6:00 p.m. on December 3.

#### **New Degree Students**

New degree students should obtain a CU-Photo ID as soon as possible after arriving on campus.

For students who have never attended the University of Colorado at Boulder, the initial ID is free of charge.

maximum number of credit hours that may count toward a degree each fall and spring semester

#### Special Note

The **Add** deadline will be in effect unless enrollment levels are reached before January 29.

- 1. Students will be allowed to Drop and Add through 4:00 p.m., Friday, January 29, with no signature required on the Drop/Add Form. A current, validated ID or a copy of your Class Schedule is required to drop or add. The Add deadline for Business students is 4:00 p.m., January 22.
- 2. No **ADD**, including Independent Study and Thesis, will be allowed after 4:00 p.m., January 29.
- 3. After January 29, instructors must sign **DROP** Forms. Students must be passing a course at the time it is dropped. A **W** will remain on the transcript for courses dropped at this time.
- 4. Students will be charged for any courses dropped after 4:00 p.m., January 29.
- 5. Starting Wednesday, February 24, courses may **not** be dropped unless there are circumstances clearly beyond the student's control (accident, illness, etc.); in addition to the instructor's approval (as in 3 above), students must obtain approval from their academic dean.
- 6. Validated receipts are provided for all students who turn in Drop/Add Forms at the Office of Registrations, Regent 125, between 9:00 a.m. and 4:00 p.m. It is the student's responsibility to retain this receipt. Acceptance of a Drop/Add Form by the Office of Registrations does not alleviate the student of responsibility to fill out forms correctly and completely and to be aware of college/school and departmental requirements.
- 7. It is not necessary for students to secure Drop Forms when they withdraw from the University. Students who are withdrawing should not drop their only or last class, because an **administrative withdrawal** will be processed with no refund. There are specific withdrawal procedures for students to follow—see Withdrawal Policy.
- 8. Students who turn in Drop or Add Forms that do not have the proper signatures will not have their forms processed.

#### PASS/FAIL OPTION

Before enrolling in courses on the Pass/Fail option, students should consult their college or school for require-

ments and restrictions concerning Pass/Fail enrollment. Students may pick up Pass/Fail Forms from either the Registration Schedule and Bill Pickup clerks on January 11 or at the Office of Registrations, Regent 125.

Completed Pass/Fail Forms must be turned in at the Office of Registrations beginning January 11 and continuing until 4:00 p.m., January 29. It is the student's responsibility to retain any receipts. After Friday, January 29, it will not be possible for a student to request Pass/Fail or to reverse the request.

The record of Pass/Fail registration is maintained by the Office of Registrations. Academic deans and faculty members will not be aware of specific Pass/Fail registration status. All students who are registered on a Pass/Fail basis appear on the regular class roster and a letter grade is assigned on the final grade roster by the professor.

When grades are received in the Office of Registrations, those courses requiring a Pass/Fail designation are automatically converted by the grade application system. Grades of **D**- and above convert to a grade of **P**. Grades of **F** equal a letter grade of **F**.

Grade point average is only affected by an **F**. A grade of **P** is not calculated into a student's GPA.

#### GRADING SYSTEM

A = 4.0	B- = 2.7	D + 1 = 1.3
A = 3.7	C + = 2.3	D = 1.0
B + = 3.3	C = 2.0	$D_{-} = 0.7$
B = 3.0	$C_{-} = 1.7$	F = 0.0

W = Withdrew/dropped

P = Passed

IF = Incomplete. Regarded as F if not completed within one year.

IW = Incomplete. Regarded as **W** if not completed within one year.

NC= No Credit

IP = In Progress

Y = Class grades not submitted by instructor

#### **Grade Reports and Transcripts**

Spring Semester grade reports will be mailed to students at their permanent address, approximately three weeks after the end of finals. After that date, grade reports may also be picked up in Regent 125.

Unofficial transcripts are available at Regent 125 for \$1.00.

#### RESIDENCY STATUS

Completed petitions for changing residency status should be submitted to the Office of Academic Records, Regent 125, by 4:30 p.m., January 4, 1988. Although petitions will continue to be accepted through January 5, 1988, students submitting petitions after January 4 may be subject to enrollment levels established by the legislature for in-state students and are unlikely to receive decisions by the tuition payment deadline. Refunds will be made if applicable. Students submitting completed petitions by November 2, 1987, will receive decisions by the deposit payment deadline. To facilitate timely and accurate processing of awards, financial aid recipients should submit petitions by November 2. Additional information regarding residency status is available from the Office of Academic Records, Regent 125, telephone (303) 492-6868.

## WITHDRAWAL POLICY AND REFUND SCHEDULE

- 1. Failure to withdraw officially makes students liable for the full amount of tuition and fees assessed for Spring Semester 1988 (in compliance with the Board of Regents ruling of August 18, 1971). Do not drop your only or last class, because an **administrative withdrawal** will be processed with no refund.
- 2. Failure to withdraw officially will result in a failing grade being recorded for every course you were registered for during Spring Semester 1988.
- 3. Official withdrawal is completed in the Office of Registrations, Regent 125. Before January 13, you may either fill out a Withdrawal Form at the Registration Information Window in Regent 125 or send a letter stating your intent to withdraw to the Withdrawal Coordinator, Office of Registrations, Regent Administrative Center 125, Campus Box 7, University of Colorado at Boulder, Boulder, Colorado 80309-0007. Refer to the refund schedule on page 7.

Beginning January 13 through May 2, 1988, an interview is required for all withdrawing students. (It is not necessary to secure Drop Forms if you are withdrawing.) Students must begin the process in the Office of Admissions, Regent 125, between 9:00 a.m. and 11:30 a.m. or 1:00 p.m. and 4:00 p.m.

4. Undergraduate students who fail to pick up their Class Schedules by 4:00 p.m. Friday, January 15, will be automatically withdrawn from school and assessed their registration or confirmation deposit. See also 5.

## Get Credit in England, Japan, Dominican Republic...

- Expand your education to include a year or semester abroad. Come in to our office to investigate which program best fits into your degree plans.
- Partial scholarships through the office.
- Academic and financial counseling available by appointment.

No refund. 100 percent of tuition and February 27-May 2 fees due.

#### TIME OUT PROGRAM (TOP)

The Time Out Program is a planned leave program for University of Colorado at Boulder students who are currently enrolled in good standing in their college or school. With their dean's approval, TOP students may take a leave of absence for a minimum of one semester or a maximum of one year to pursue scholarly or nonacademic interests. Students may take courses at another campus of the University of Colorado or at another college or university while on TOP.

TOP will guarantee students a place in their current college or school and in their current major when they return to classes. In addition, Intrauniversity Transfer (IUT) is available to students in TOP. Certain restrictions do apply, however, for some colleges and schools. TOP participants may register for classes by mail, and reapplication to the University is not necessary. Students receiving financial aid should check with the Financial Aid Office before going on TOP. Additional information and TOP applications may be picked up from the Office of Registrations, Regent 125.

A nonrefundable \$20 program fee is required at the time of application to TOP. The TOP application must be submitted no later than the six-week drop deadline date for the semester the student begins TOP. Early application is recommended since enrollment levels for the student's returning semester of choice may be met before the sixweek deadline.

#### TUITION AND FEES

For further information, call (303) 492-5381.

The Board of Regents reserves the right to change tuition and fees at any time. Tuition and fees can be expected to increase every year that the student is in school.

#### STUDENT FEES

The student activity fee for students taking only one course (1-5 credit hours) is \$22.70 per semester, and for all other students is \$133.45 per semester. Fees are assessed by the University of Colorado Student Union (UCSU). In addition, all students will be assessed a nonrefundable \$4.00 Student Information System fee. Also, students registered for 4 or more credit hours are assessed a \$19.75 student athletic fee per semester for Title IX activities (by the Board of Regents).

**EXTRA TUITION SURCHARGE:** For every credit hour over 17 for which a student registers and retains past January 29, 1988, there will be a tuition surcharge. See chart above.

#### **Tuition and Fee Regulations**

- 1. Failure to receive an official University Tuition and Fee Bill will not relieve students of the responsibility for paying by the established date.
- 2. Students will be assessed tuition for the number of credit hours for which they are registered on January 29,
- 3. No tuition adjustment will be made for courses dropped after January 29, 1988. However, tuition for classes added will be assessed and billed. Students will be assessed a surcharge for each credit hour over 17.
- 4. Tuition for a NO CREDIT course is the same as for a course taken for credit.
- 5. Tuition for a zero (0) credit-hour course is charged at the rate of a one credit-hour class.
- 6. All students taking one course of 5 or fewer hours will be assessed the base fee of \$22.70. These students will receive a NO FEES ID validation sticker and will not be allowed to use UCSU facilities or services without payment. Doctoral students taking thesis only, master's candidates for degree, Approved Doctoral candidates, and fifth-year pharmacy students will pay the base fee of \$22.70.
- 7. ALL Boulder Campus students taking 6 or more semester hours or more than one course must be covered by a hospital-medical-surgical insurance plan as a condition of enrollment. Students who do not verify separate equivalent coverage or adequate personal financial resources on the Insurance Waiver Form available at Registration or at Wardenburg Student Health Service will automatically be enrolled in the student group insurance plan at a cost of \$128.00 in addition to the full \$133.45 in UCSU student fees. Waivers submitted in the fall of each year will extend through the following spring and summer.

For those students taking one course of 5 or fewer semester hours, supplemental health insurance is available at a cost of \$128.00. To become eligible to purchase the insurance, students must first pay full student fees of \$133.45. EXCEPTION: Approved Doctoral candidates requesting student group insurance will be charged \$128.00 for the insurance plus Wardenburg Student Health Service fees of \$67.80.

- 8. FACULTY and STAFF TUITION RATES-Permanent faculty and staff are entitled to 1-6 credit hours at no charge per academic year (Summer and Fall 1987 and Spring 1988) and must register beginning January 12, 1988 if these benefits will be used this semester. Student fees will not be charged for those courses in which a faculty or staff member enrolls on January 12 or later. If a faculty or staff member registers early and pays tuition for the course(s), student fees will be charged. See this page regarding the SIS fee.
- 9. MATRICULATION FEE-There is a one-time nonrefundable matriculation fee of \$15 for new degree stu-

dents. This fee will be assessed at the time of initial Registration. The matriculation fee covers processing charges for adding or dropping courses and for official transcripts. A nondegree student who is admitted to degree status will be assessed a \$15 matriculation fee at the time of the student's first Registration after the change has been made.

10. Mandatory student fees (\$133.45) may be waived only under the most extraordinary circumstances, such as a physical absence from campus for the semester, living outside a 50-mile radius of Boulder, or an extreme physical handicap that renders it impossible to use the feesupported services or facilities. If fees are waived, students must still pay the base fee of \$22.70. Students who wish to petition for a fee reimbursement must do so by 4:00 p.m. on January 22. No late petitions will be accepted. Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and should include documentation of the reasons for waiving the fees. In addition, any student covered by the student health insurance must pay full student fees, except Approved Doctoral students who will pay only partial fees.

#### **Deferred Tuition**

The option of deferring one-half your total Tuition and Fee Bill until March 4, 1988, is available by completing an application on or before **January 22**. The first half of your bill will still be due by 4:00 p.m., January 22. Please be aware that the deferred balance will be subject to a 1 percent per month finance charge. **If you have any doubt** at all about being able to pay your **full** Tuition and Fee Bill by January 22, please take advantage of this option. To qualify, your total bill at the time of application for deferred tuition must exceed \$100. The deferred amount will be calculated on the account balance at the time of deferment. Please refer to the *Schedule and Bill Pickup Instructions* for location of deferred tuition applications.

#### Failure to Make Payment in Full by the Tuition and Fee Bill Deadline

Failure to make the required payment on any due date will result in any or all of the following actions:

- a. The student may be disenrolled from the University, becoming ineligible for all University services (see Disenrollment Policy below).
- No grades will be issued for courses in progress unless the student is reinstated within the prescribed deadlines.
- c. No transcripts, diplomas, certification, or registration materials will be issued for the student until the Tuition and Fee Bill is paid in full.
- d. A late payment charge in addition to a service charge (I percent per month) on the unpaid balance will be assessed according to the following schedule:

Late Charge
\$ 5
10
20
30
40
50

e. A Late Registration Fee may be charged to students who are financially disenrolled (see Disenrollment Policy below).

#### \* DISENROLLMENT POLICY \*

When students fail to meet their entire Tuition and Fee Bill obligation by March 4, 1988, official notification of disenrollment will be mailed by the Office of Registrations to the student's local address of record. The letter will inform students of reinstatement procedures.

In order to reregister, students who are disensolled must pay late and service charges as well as a Late Registration Fee of \$20 to \$30.

Students who are disenrolled and who fail to reregister remain liable for full payment of all unpaid charges, including tuition and fees.

## INTERCAMPUS REGISTRATION PROCEDURES

**Option 1**—Boulder Campus students who wish to take course work on another campus of the University of Colorado may be able to register on that campus independent of Boulder Campus Registration. However, students must apply for admission to and follow the registration procedures established by the other campus. Students should check with their dean's office for approval. Arts and Sciences students may not register at UCD or UCCS except in the summer.

Option 2—Boulder Campus students who are unable to obtain courses required for their degree programs on the Boulder Campus may exercise the Concurrent Registration option. Students enrolled for a minimum of one course on the Boulder Campus may be allowed to register for up to two courses or 6 credit hours, whichever is greater, on another University of Colorado campus. The course work must be required for their degree program, they must have their dean's permission, and enrollment levels must not have been reached on the host campus. Graduate students must also have their advisor's approval.

Students taking required courses in the College of Business and Administration or in the Graduate School of Business Administration may only exercise the Concur-

rent Registration option if they are in their graduating semester; students who are two semesters from graduating and cannot obtain a course necessary to complete the prerequisite sequence may also be allowed to use this option. The course must be required for graduation and not be offered on the Boulder Campus, or the course must conflict with another required course in which the student is enrolled. Boulder Campus students from other colleges and schools who wish to take Business courses must have the approval of the Boulder Campus College of Business and Administration in addition to the approval of their own college or school before submitting the Concurrent Registration Form.

Boulder students exercising this option will pay tuition for their total credit hours at Boulder Campus rates. Concurrent Registration Forms and instructions are available at the Registration Information Window in Regent Administrative Center, between 9:00 a.m. and 4:30 p.m., after the Drop/Add period has begun at the host campus.

#### HIGH SCHOOL NONDEGREE ENROLLMENT PROGRAM

The University of Colorado at Boulder provides local resident high school students with an outstanding academic record the opportunity to pursue advanced levels of course work which are not offered in high school. As this service is designed to complement a student's high school program of study and to encourage graduation, requirements for University enrollment are restrictive and carefully followed so that students will benefit from both the high school and college experience. Credit earned can be used, if approved by the high school, for the completion of high school graduation requirements. If work attempted is not used to meet high school graduation requirements, it can be accepted for college-level credit at the University. Generally, 3 semester hours of college course work is equivalent to 5 credit hours of high school work (one-half unit of Carnegie credit). Please call (303) 492-6581 for further information.

#### GENERAL INFORMATION

#### **Academic Integrity**

A university's intellectual reputation depends on the maintenance of the highest standards of intellectual honesty. Consequently, commitment to those standards is a responsibility of every student and every faculty member at the University of Colorado.

Breaches of academic honesty include cheating, plagiarism, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by the instructor.

**Cheating.** Cheating takes place in different ways, but basically, it involves dishonest behavior, such as copying from another person or obtaining any form of unauthorized help or assistance from any person or source.

**Plagiarism.** In all academic areas, it is imperative that work be original or that explicit acknowledgment be given for the use of another person's ideas or language. In a term paper, for example, failure to use quotation marks, even if a footnote source is provided, is plagiarism.

Students should consult with their instructors regarding specific standards or procedures appropriate in each given field

**Sanctions.** Breaches of academic honesty will result in disciplinary measures. These can include:

- A failing grade for a particular assignment
- A failing grade for a particular course
- $\bullet$  Suspension for various lengths of time or permanent expulsion from the University

Breaches of academic honesty are under the purview of each college and school pursuant to the *Laws of the Regents*, Article V, Section C. For further information and for individual college and school policies, students should consult their dean's office.

#### **Student Conduct**

The Standards of Conduct and the procedures for implementing them have been developed by the Student Conduct Advisory Committee composed of students, faculty, and staff. In establishing these standards, the University has taken into account students' rights as individuals, as well as the general welfare of the University community.

The University would be remiss in its responsibility to students and the community if it ignored behavior that violates the rights of others. It is also essential that everyone shares in the commitment to protect the integrity and personal safety of each member of the University community.

In most cases, if an individual is found in violation of one of the Standards of Conduct, the University's primary interest will be to help the individual avoid further inappropriate behavior and become a responsible member of the University community. However, if an individual fails to correct inappropriate behavior, or if the violation of the Standards of Conduct is serious, the University will consider taking disciplinary action that may include suspension or permanent expulsion. Behavior that threatens the safety or violates the basic purpose of the University community will not be acceptable.

Any time students have questions regarding the application of the Standards of Conduct, or feel that another

person has subjected them to behavior that interferes in any manner with their rights, the University encourages students to contact the Office of Student Conduct, Willard 223, (303) 492-5601.

#### **Affirmative Action Statement**

The University of Colorado at Boulder has a strong institutional commitment to the principles of diversity. In that spirit, we are particularly interested in receiving applications from a broad spectrum of people, including women, members of ethnic minorities, and disabled individuals.

For further information about issues of equity, discrimination, or fairness, write the Manager of Affirmative Action and Services, Campus Box 475, University of Colorado at Boulder, Boulder, Colorado 80309-0475, or call (303) 492-6706.

#### **Ombudsman Office**

The Ombudsman Office facilitates communication, understanding, problem solving, and effective conflict management among the constituents of the University—students, faculty, staff, and administrators.

Ombudsman duties include hearing concerns, complaints, and grievances; investigating such concerns; referring individuals to other University resources when appropriate; mediating complaints if necessary; making findings of repeated or serious breakdowns in the University environment; and offering recommendations to University constituents regarding redesign of areas where breakdowns occur.

The Ombudsman Office maintains impartiality and confidentiality in working with individuals and operates independently of the usual administrative authorities. The staff is familiar with the organizational structure of the University and can provide current information about campus services, programs, policies, and procedures. Timely information about important dates and deadlines may be found in the Reminder Calendar published each year by the Ombudsman Office.

The office is located in Willard 302, Campus Box 112, telephone (303) 492-5077.

#### Rights and Privacy— Education Records

The Family Education Rights and Privacy Act of 1974 protects the privacy of education records. However, certain information is considered public or "directory information." Such information may be released to anyone unless students inform the Office of Academic Records that they do not wish the information released.

"Directory information" includes name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, full- or part-time enrollment status, degrees and awards received, educational institutions attended, and weight and height of athletes.

To prevent release of the above information, students must go to the Office of Academic Records before January 29 to request that directory information about them be withheld. A new request must be made each semester.

To prevent names and addresses from appearing in the 1987-88 Directory, students must have requested withholding of directory information between August 24 and September 11, 1987. (The Directory is published during the Fall Semester only.)

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, the *Student Handbook*, and the Office of Academic Records, Regent 125, (303) 492-3066.

#### Final Examination Policy

It is the policy of the University of Colorado at Boulder to adhere to the final examination schedule as published in the Schedule of Courses each semester. While it may be appropriate not to give a final in some cases, such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses. Unless otherwise notified in writing during the first week of classes, students should assume that an examination will be given.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators in order to assure fairness and the best possible educational experience for students.

1. The scheduled final examination period should be considered an important part of the course and used as a final examination period or for additional instruction. 2. The final examination in a course should be given as

scheduled and not at other times even if the faculty member and all students in a course agree to such a change.

3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances), and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

offices as listed.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made no later than the end of the sixth week of the semester (i.e., at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations to qualify for exceptions.

term. This fee will be essessed at the time of lainis! Regis-

6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempted from final examinations. Such exemptions are inappropriate on both procedural and academic grounds.

Paid advertisements do not necessarily reflect the views of the University.

Controlled enrollment and Drop/Add Forms can be obtained from departmental

#### **General Information**

The Academic policies and rules are printed in the 1987-88 University of Colorado at Boulder Catalog. All students are responsible for knowing and following the provisions set forth in the Catalog. Any questions concerning those provisions are to be directed to the College Office, Old Main 1B-85. The College cannot assume responsibility for problems resulting from a student's failure to follow the policies stated in the Catalog or from misadvice given by someone other than a staff member of the College.

#### **Administrative Drops**

You are not guaranteed your place in a course if you do not attend regularly during the Drop/Add period or if you do not have the proper prerequisites. It is your responsibility to know whether or not you are still registered in each of your classes at the end of the add/drop period.

Any student wishing to graduate from the College of Arts and Sciences at the end of a given semester must notify the dean's office, Old Main 1B-85, in the semester preceding. The College of Arts and Sciences takes no responsibility for graduating a student when the student has not met the above deadline due to the student's own negligence.

#### Graduation from the College of Arts and Sciences

The list of course offerings is subject to change between the publication of this information and the commencement of classes for the Fall academic term. Check with the academic unit.

#### Area Requirements

As a liberal arts college, the College of Arts and Sciences has the responsibility of making available to its students a balanced program which will satisfy the legitimate claims of individual interest and aspirations and ensure that those who graduate have pursued a directed, coherent educational experience.

Candidates for the liberal arts degree are expected to be literate in their own language, to have at least a minimal acquaintance with a language other than their own, and to be familiar with the subject matter and methodology of the three broad areas of learning represented by the Humanities, the Natural Sciences, and the Social Sciences. These expectations generate the college area requirements.

Each student seeking the B.A., the B.F.A., or the B.S. degree in the College of Arts and Sciences must complete two 2-semester course combinations in each of the following areas: Humanities, Natural Science, and Social Science. See the description in the College List following.

In addition to the above, students seeking the B.A. or the B.F.A. degree must demonstrate in one of three ways a third-semester proficiency in a classical or modern foreign language: (a) by completion of a level-III high school foreign language course, (b) by completion of an appropriate third-semester college course, or (c) by a proficiency examination administered by one of our foreign language departments.

## THE COLLEGE LIST OF

The College of Arts and Sciences College List consists of three divisions. Each division represents one of the area requirements: Humanities, Natural Science, Social Science. Within these divisions the courses are listed by departments in first- and secondyear sequences. Courses joined by a hyphen are considered a sequence. Both courses must be completed in order to fulfill one-half an area requirement.

To fulfill the second half of the requirement, students who have successfully completed a first-year sequence in a given department may choose either to take a secondyear sequence in the same department or to complete another first-year sequence in a different department listed in the same area requirement division.

Courses on the College List may not be taken Pass/Fail.

First-Year Courses

Second-Year Courses

#### HUMANITIES

#### **ASIAN STUDIES**

101-102 Asian Humanities-S Asia and E

Asia

#### **BLACK STUDIES**

232-233 Survey of Afro-Am Lit 1 & 2 260-285 Intro to African Lit & Dev of Caribbean Lit

270-271 African-American Art History 1 & 2 280-281 Afro-Am Music Hist and Apprec 1 & 2

Any two of the following, provided 260-285 have been completed:

480 African Novel

490 Critical Approaches to African Lit OR

Provided 232-233 have been completed: 476-477 Cont Afro-Am Lit 1 & 2

#### **CHICANO STUDIES**

103-104 Chicano Fine Arts and Humanities &

Intro to Chicano Literature

Any two of the following, provided 103-104 have been completed:

Chicano Poetry

completed:

333

361

411

Survey of Chicano Prose/Fiction The Mexican Revolution

Any two of the following, provided one of

From Paganism to Christianity

Greek and Roman Comedy and

Greek and Roman Tragedy

the first-year combinations has been

#### **CLASSICS**

#### FOREIGN LITERATURE IN TRANSLATION

Span Culture & Cultural Heritage of

20th Cent Spanish Lit & 20th Cent Span-Amer Novel and Essay Note: See also Foreign Literature in Translation.

Any combination of first-year literature courses from Classics, English, or Foreign Languages satisfying the Humanities requirement, including the following Russian sequence, may be combined with course combinations in Foreign Literature in Translation to complete the Humanities requirement.

RUSS 221-222 Intro to Russian Culture & Intro to Soviet Culture

In addition, the following courses will partially fulfill the first year of the Humanities requirement. Consult departments for exact pairings: FR 260 Intro to French film

ITAL 213 Italian Short Story in its European Context GER 250 20th C German Short Story

SCAN 251 Intro to Norwegian and Swedish Lit

Combinations of courses totaling 6 hours or more from one of the categories below may be used to fulfill the requirement, provided that the first-year combination has been completed.

ITAL 411, 413, 420 **GER 480** CHIN 481, 482, 483 JPN 483, 484 RUSS 481, 482 SLAV 461, 462

#### **HUMANITIES**

101 Intro to Humanities 1 102 Intro to Humanities 2

Note: Either of these 6-hour courses may be used to complete the first year of the requirement. They need not be taken in order.

Note: Both HUM 101 and 102 may be taken as a sequence to fulfill the complete Humanities requirement.

Any one of the following combinations of courses, provided the first-year of the requirement has been completed by HUM 101 or by any first-year combination in English, Classics, or literature courses in a foreign language:

303-304 Comic Sense & Tragic

Sense

Hist of Film 1 & 2 305-306 Film and Fiction & Myth 401-416 in the Arts

401-482 Film and Fiction & Law

and Literature 1

#### HUMANITIES

#### **MUSIC**

183-275 Appreciation of Music & Hist Amer Pop and Folk Mus

Appreciation of Music & Music and Drama

183-277 Appreciation of Music & World Music

For those with previous courses in Music

Appreciation: 275-276 Hist Pop/Folk Music & Music and

Drama

275-277 Hist Pop/Folk Music & World Music

276-277 Music and Drama & World Music

Any two of the following, provided one of the first-year combinations has been

308 American Popular Music

364 History of Jazz

379 Twentieth Cent Music and Media

382 Music Literature 1 383 Music Literature 2

475 Women Composers

489 Latin American Music

NOTE: These courses are not subject to the 30-hour limit in course work in non-BA curricula.

#### **PHILOSOPHY**

100-102 Intro to Phil & Ethics 100-103 Intro to Phil & Ways of Knowing 100-105 Intro to Phil & Phil and Religion 100-106 Intro to Phil & Phil and the Sciences 100-107 Intro to Phil & Phil of the Arts 100-110 Intro to Phil & Phil Through Lit 100-112 Intro to Phil & Intro to Logic

Provided one of the first-year combinations has been completed, a student may complete the second year of the Humanities requirement by taking any two 300- or 400-level Philosophy courses except 305, 341, 342, 343, 344, and 438.

#### **RELIGIOUS STUDIES**

162-260 Rel Dimen in Hum Exp & World Rel (West) 162-262 Rel Dimen in Hum Exp & World Rel (East)

162-270 Rel Dimen in Hum Exp & Amer Ind Rel World Rel (West) & World Rel (East)

260-270 World Rel (West) & Amer Ind Rel 262-270 World Rel (East) & Amer Ind Rel

Any two upper-division courses, provided one of the first-year combinations has been completed.

#### THEATRE AND DANCE

For students enrolled in Arts and Sciences before Summer Semester 1986: THTR 101-102 Development of Theatre and Drama 1 & 2

THTR 231-270 Text Analysis for Performance & Intro to Theatre

ENGL 130---Intro to Drama & THTR 231 Text Analysis for Performance ENGL 130-Intro to Drama & THTR 270 Intro to Theatre

Provided a first-year combination has

been completed, the following may be taken for the second year of the requirement:

THTR 482-487 Hist of Costume 1 & 2

Any two of the following:

THTR 472 Theatre of Asia

**DNCE 491** History and Philosophy of

Dance

DNCE 492 Dance in the 20th Century

#### For students enrolled in Arts and Sciences Summer Semester 1986 and thereafter:

THTR 111-112 Development of Theatre and Drama 1 & 2 (formerly THTR 101-103)

THTR 190-231 Intro to Theatre & Performance Literature (formerly THTR 270-231)

THTR 258-259 History of Fashion 1 & 2 (formerly THTR 482-487) ENGL 130-THTR 231 Intro to Drama &

Performance of Literature ENGL 130-THTR 190 Intro to Drama & Intro to Theatre

Provided the first-year combination has been completed, the following may be taken for the second year of the requirement:

THTR 412 Asian Theatre Studies (formerly THTR 472)

DNCE 491 History and Philosophy

of Dance

DNCE 492 Dance in the 20th Century

#### First-Year Courses

Second-Year Courses

Topics in Solar System Astronomy 321

Topics in Stars and Galaxies

#### **NATURAL SCIENCE**

#### **BIOLOGICAL SCIENCES**

EPOB MCDB 101 Molecular Biology for Non-Scientists, may be combined with the following: EPOB 121, MCDB 105, NASC 123,NASC 124,

Students may take the following: 107-108 Intro to Biology 1 & 2 EPOB 121-122 General Biology 1 & 2 MCDB 105-106 Intro to MCD Biology 1 & 2 NASC 123-124 Biology: A Human Approach

Any combination of two courses of at least 3 hours each from EPOB, MCDB, or NASC numbered 300 or above, except EPOB 303 and 409, providing one of the first-year combinations has been completed.

#### **CHEMISTRY**

101-104 Intro to Chem & Intro to Organic

and Biochem

Chemistry for Non-Scientists Gen Chem & Intro to Organic and 103-104

Biochem 103-106

General Chemistry 107-108 General Chemistry (Honors) Prereq for all second-year courses: CHEM 103-106 or 107-108.

331-332 Organic Chemistry 1 & 2 335-336 Organic Chemistry 1 & 2 for

chem majors Physical Chemistry

451-453 Physical Chemistry

Prereq for all second-year courses: CHEM 103-106 or 107-108.

#### **COMPUTER SCIENCE**

220-225 Discrete Structure 1 & Data Structure and Algorithms

Note: Students who were enrolled before Summer 1985 consult Arts and Sciences advisors for previous requirements.

Note: Computer Applications majors may not take these courses for completion of the Natural Sciences requirement.

Note: These courses are not subject to the 30-hour limit in course work in non-BA curricula.

Note: See Natural Science and Philosophy for additional course work.

#### GEOGRAPHY

100-101 Environmental Systems

Note: If students wish to use both Geography and Geology for completing the Natural Science requirement, full credit will not be received for GEOL 101 and GEOG 101. See departments for details before enrolling in these courses.

Any two of the following, provided GEOG 100-101 have been completed:

Topics in Meteorology

Topics in Climatology 320

Mountain Geography Geoecology Alpine and Arctic Regions

335 Biogeography Conservation of Natural Resources 339

Physical Climatology-Principles 421

422 Physical Climatology-Applied

431 Principles of Geomorphology Mountain Geomorphology 432

Mountain Climatology 433

Biogeography 435 Forest Geography: Principles and 437 Dynamics

Any two upper-division courses except

477, provided one of the first-year

combinations has been completed.

Water Resources and Water Management of Western U.S.

Surface Hydrology

#### **GEOLOGY**

GEOL 101 and one of the following:

GEOL 102 Intro to Geol 2 GEOL 105 The History of Life

GEOL 114 Our Dynamic Earth 2 GEOL 153 Geol Dev of Colorado

GEOL 106-107 Global Change 1 & 2

GEOL 113 Our Dynamic Earth 1, and one of the following:

GEOL 114 Our Dynamic Earth 2 GEOL 105 The History of Life APAS 115 Our Dynamic Earth 3

Note: GEOL 102 or APAS 115 may be substituted for GEOL 114.

and Geology for completing the Natural Science requirement, full credit will not be received for GEOL 101 and GEOG 101. See departments for details before enrolling in these courses.

#### **KINESIOLOGY**

279-280 Kinesiological Anatomy & Kinesiological Physiology

#### **MATHEMATICS**

130-230 Analytic Geom and Calc 1 & 2 230-240 Analytic Geom and Calc 2 & 3

Note: Math majors may not use Math courses toward the Natural Science requirement.

NOTE: See Natural Science and Philosophy for additional courses.

#### **NATURAL SCIENCE**

#### **NATURAL SCIENCE**

Biological Science: NASC 123-124 Biology: A Human Approach

Natural Science:

NASC 125 Nature/Society/Energy

Note: This 6-hour course completes the first year of the requirement.

Provided the first year of the requirement has been fulfilled with a course combination from any of the Natural Science lists, the second year may be completed with any two of the following:

NASC 321 Hist of Sc: Ancients to Copernicus

NASC 322 Hist of Sc: Copernicus to Newton

Hist of Sc: Newton to **NASC 323** 

Einstein NASC 324

Perspective of 20th Cent Science

Note: See also listing under Biological Sciences.

#### **PHILOSOPHY**

Provided the first year of the requirement has been fulfilled with a course combination from any of the Natural Science lists, the second year may be completed with any two of the following:

341 Hist of Sc: Ancients to Copernicus 342 Hist of Sc: Copernicus to Newton Hist of Sc: Newton to Einstein 343

Perspectives of the 20th Century

#### **PHYSICS**

101-102 Phys Sci for Non-Scientists 321-322 Analytical Mech & Analytical Mech and Quantum Mech 111-112 General Physics 207-208 Prin Elec and Mag 1 & 2 Energy Tech Soc & Physics of 331-332 Contemp Social Problems 321-341 Analytical Mech & Thermodynamics and Stat Mech 301-302 General Physics

#### **PSYCHOLOGY**

100-204 Gen Psy & Clinical Neuroscience in Behavioral Medicine 100-205 Gen Psy & Biopsychology

Note: If Psychology 100 is used for the Natural Science requirement, it may not be used for the Social Science requirement.

#### **First-Year Courses**

Second-Year Courses

#### SOCIAL SCIENCE

#### **ANTHROPOLOGY**

103-104 Principles of Anth 1 & 2 Intro to Arch & Urban Revolution Intro to Arch & Old World Arch 220-227 Intro to Arch & New World Arch

Any two upper-division courses except 402, 405, 425, 426, and those courses satisfying the Natural Science requirement, provided one of the first-year combinations has been completed.

#### **BLACK STUDIES**

203-204 Behavior Analysis 1 & 2 Politics of Cont Africa 1 & 2 210-211 215-216 Afro-Am Hist 1 & 2

#### University Writing Program

IF YOU WISH TO ENROLL IN A UNIVERSITY WRITING PROGRAM COURSE AT THE 100 LEVEL, YOU SMOULD ENROLL IN A SECTION OF UNRP 199 HHETHER OR NOT YOU HAVE PREVIOUSLY TAKEN A COURSE IN THE UNIVERSITY MRITING PROGRAM. SMORTLY AFTER THE START OF THE SEMESTER, YOU WILL BE PLACED IN EITHER UMAP 105 (DIRECTED WRITING), UMAP 115 (EXPOSITORY WRITING), OR "UMAP 125 (ARGUMENTIVE WRITING) ACCORDING TO THE FOLLOWING CRITERIA:

- IF YOU HAVE PREVIOUSLY TAKEN AND PASSED A S/UMRP 105, AND/OR A S /UMRP 115, YOU WILL BE REQUIRED, DURING THE FIRST DAYS OF CLASS, TO WRITE SOME ESSAYS THAT WILL INDICATE YOUR SKILL LEVEL.
- IF YOU HAVE NEVER TAKEN A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL, OURING THE FIRST DAYS OF CLASS, WRITE SOME ESSAYS THAT WILL DETERMINE YOUR PLACEMENT.

BEFORE THE END OF THE DROP/ADD PERIOD YOUR INSTRUCTOR WILL HAVE YOU FILL OUT A DROP FORM FOR UMRP 199 AND AM ADD FORM FOR THE CLASS INTO WHICH YOU HAVE BEEN PLACED.

NOTE. UNIVERSITY WRITING PROGRAM COURSES DO NOT COUNT FOR THE HUMANITIES REQUIREMENT ON THE COLLEGE LIST UNLESS YOU HAVE TAKEN A S 100 IN A PREVIOUS SEMESTEP.

NOTE. YOU WILL NOT SE ALLOHED TO ADD UNRP 199 AFTER

106 UNRP 199 3 UNIV WRITING PROGRAM

# COLLEGE OF BUSINESS AND ADMINISTRATION AND GRADUATE SCHOOL OF BUSINESS ADMINISTRATION

Edward A. Johnson, Dean Undergraduate—Business 204 Graduate—Business 205

#### **General Information**

15 15 15

15 15 15

10

Any questions concerning college of business policies are to be directed to the appropriate Advising Office. The college cannot assume responsibility for problems resulting from a student's failure to follow the policies stated in the Catalog or from misadvice given by someone other than a staff member of the College of Business. College policies are explained on pages 117-134 of the 1987-88 University of Colorado at Boulder Catalog.

**Administrative Drops**—Business faculty may drop students for nonattendance in class or if all prerequisites have not been met. Students are responsible for checking with their instructors concerning attendance policies.

**Course Load**—Business students may register for a maximum of 17 semester hours of course work during the fall or spring semesters and a maximum of 6 semester hours during a 5-week summer term.

DROP/ADD—Business classes may not be added after, Friday, January 22. All class assignments are made on a space available basis. Business students and official combined Business majors may add Tuesday, January 12, through Friday, January 22. Nonbusiness students may start adding only on Friday, January 15, providing space is available. Students may drop Business classes according to University deadlines.

**Elective Credit**—Elective credits should be selected carefully as not all classes are acceptable. Generally, to be acceptable, electives must be taught by regular University of Colorado faculty, must have a form of assessment such as a term paper and/or examinations, and must be regular classroom-type classes. Course coverage must be college-level, not repetitious of other work applied toward the degree, must be academic as opposed to vocational/technical, and must be part of regular University offerings.

#### Specifically, the college will accept:

- A. A maximum of 6 semester hours of theory physical education or dance and
   B. A maximum of 12 semester hours of advanced ROTC providing the student
- is enrolled in the program and completes the total program and

  C. A maximum of 6 semester hours of approved independent study,
- A maximum of 6 semester hours of approved independent study, experimental studies, choir, band, music lessons, and art lessons.

#### The College will NOT accept:

Activity physical education, workshops, orientations, dance, teaching methods, practicums, certain teacher education classes, credit for internships, and certain classes offered at the Center for Interdisciplinary Studies and Arts and Sciences.

The above examples are not exclusive but are intended to provide guidelines. The College of Business reserves the right to disallow any credit that is not appropriate academic credit as determined by the College. For further information, consult the Undergraduate Advising Office, Business 204.

**incomplete Grades**—Incomplete grades are given only in documented and extenuating circumstances clearly beyond the student's control. **IF** is the only incomplete grade given by the College of Business. The student is expected to complete the requirements (e.g., final exam, term paper) within the established deadline and not retake the entire course.

**Information for Graduating Seniors**—Prospective graduates must file an application to graduate with the Advising office, and request a senior audit before registering for their last semester. Failure to do so will delay graduation. Also, students desiring to change their area of emphasis after the senior audit has been completed must have the change approved by the graduation supervisor no later than the first week of class of their final semester. Changes after that time will delay graduation.

**Intrauniversity Transfer**—Applications are accepted from June 1 until October 1 for consideration for spring admission, and from January 1 until March 1 for consideration for fall admission. Applicants must have completed a minimum of 12 semester hours of appropriate courses, including Math 107 or 108, prior to applying, and must have a cumulative CU average of 2.5 or better. Applications are available at the Undergraduate Advising Office, Business 204, and should be returned to that office when complete. Please type applications.

**No Credit**—Due to space limitations, Business classes may not be taken on a No Credit or audit basis.

**Prerequisites**—Students registering for courses without having completed appropriate prerequisites or who do not have the appropriate class standing may be administratively dropped from Business classes. Business majors are defined as students officially enrolled in the College of Business and Administration or an official combined program.

Repeating Courses—Repetition of work either at the University of Colorado and/or elsewhere, or below college-level work, is not acceptable toward a B.S. degree in Business. Grades of D earned at this institution count toward graduation and courses need not be repeated. The College of Business and Administration does not remove Fs or change grades if a course is repeated. All work attempted will appear on permanent records.

**Summer Work**—Business students planning to attend another institution during the summer should have their proposed course work approved by a Business advisor before leaving campus. Students planning to attend another institution during the academic year should be aware that their residency in the College may be affected, and should consult with an advisor. The last 30 hours of CU Business courses must be taken in residence after admission to the College and must include

**Transfer Credit**—Transfer work from other institutions is evaluated first by the University of Colorado Admissions Processing, but final degree determination is made by the College of Business. Transfer credits from unaccredited institutions will not apply toward the Business degree. On questions of substitution of **required** courses, comparison of catalog descriptions will be made. Students are responsible for providing course descriptions. Transfer credit for Business courses taken at a lower-division level is limited to only such courses as the College offers at that level.

#### **Major Codes**

#### College of Business and Administration

COII	ege of Busiliess and Autilinistration	,,,	
201	Accounting	222	Operations Management
205	Finance	218	Public Agency Administration
209	Information Systems		Real Estate

### SCHOOL OF EDUCATION

Phillip P. DiStefano, Acting Dean Undergraduate—Education 247 Teacher Certification—Education 247 Graduate—Education 130

#### **General Information**

All students should read and adhere to the policies, rules, and regulations as given in the School of Education section of the University of Colorado at Boulder Catalog and in the Graduate School section when the latter is applicable.

Certification students are responsible for knowing the information given in the Advising Manual, which should be picked up in Education 247. Additional information for Graduate students is given in the Graduate Student Handbook which should be picked up in Education 130.

For both elementary and secondary certification students, admission to the certification program requires a 2.50 GPA. Students must also meet certain criteria and competencies in reading, writing, mathematics, and speech.

#### Major Code

097 Teacher Certification (prior degree)

## **COLLEGE OF ENGINEERING** AND APPLIED SCIENCE

Richard Seebass, Dean

#### **General Information**

The requirements and policies of the College and the University are printed in the most recent University of Colorado at Boulder Catalog and College of Engineering Student Survival Guide. All students should become familiar with these requirements as well as with the specific requirements of their major department.

Students should also refer to the front of this Schedule of Courses, which outlines the Standard Grading System, Pass/Fail, Drop/Add, and withdrawal procedures. These instructions provide important information relative to the rules of the University of Colorado at Boulder.

Because of the publication deadlines, differences may exist between college rules and policies published in the University of Colorado Catalog and those in effect at the time of registration. It is the student's responsibility to be aware of recent college revisions. This can best be accomplished by consulting with faculty advisors, and reading the most recent Student Survival Guide and narrative preceding the College of Engineering Schedule of Courses listing.

#### **FACULTY ADVISORS**

Advising is available through departmental offices of the College of Engineering and Applied Science. Each student is assigned or selects a faculty advisor and should check with the department office to verify this assignment. Departmental approval is required to assure that courses will apply toward degree requirements. Transfer students should check with their major department at the time of their first registration for transcript evaluation and the tentative acceptance of transfer credits.

#### LOCATION OF DEPARTMENTAL OFFICES

Aerospace Engineering	Engineering Center	OT 6-16

Engineering Physics	Duane Physics	E-032

#### **General College Policies**

- Students who have been on probation or suspension at any time in the past will automatically be suspended if they fail to maintain satisfactory academic progress.
- 2. Students must enroll for a minimum of 12 semester hours during the regular academic year, or petition for approval to take fewer hours. Students must petition to drop courses that will reduce the total semester credit hour load below 12 semester hours.
- 3. Students are expected to fulfill all prerequisites. It is important to study the Catalog carefully because many courses must be taken in a specific sequence. Students who receive a grade below C- in a prerequisite course and wish to register for the succeeding course must petition to obtain approval of their major department, the instructor of the succeeding course, and the dean's office before enrolling for that course.
- The College of Engineering and Applied Science will not remove a grade for any courses repeated.
- Students should note the restrictions on the Pass/Fail option given in the Student Survival Guide and check with their department office for specific departmental restrictions. Pass/Fail Forms require the signature of a designated faculty member of a student's major department and dean's approval.
- 6. No course required for graduation can be taken NC (No Credit). Students must petition in advance of enrollment if they wish to take a course NC.
- 7. Students should carefully read the current Drop/Add Standard procedures policy in the front of this Schedule of Courses. Students should also keep all Drop/Add receipts until graduation.
- 8. Students are encouraged to check with their instructors to make certain that they are officially listed on the class roster before the add deadline. Students are allowed to add classes after the add deadline only if there is a demonstrated University error.
- Final examination dates and times for this semester are printed in this Schedule of Courses. Students should be careful not to sign up for courses that would require three or more finals on the same day.
- Engineering students are subject to disenrollment if they do not comply with the College of Engineering and Applied Science rules and policies.
- CATECS (Center for Advanced Training in Engineering and Computer Science) offers University of Colorado graduate education and professional development courses delivered from the Boulder campus to professionals at the workplace by live instructional television with two-way audio. CATECS also provides the same instruction, from the College of Engineering, via videocassette to those outside the TV signal range.

Students may obtain the Master of Engineering degree at the workplace in engineering management, computer science, and most engineering disciplines. Graduate level BUSINESS COURSES offered through CATECS to those with technical, non-business backgrounds may be applied to the MBA degree as well as to the Master of Engineering.

SPECIAL OFF-CAMPUS STUDENTS not enrolled in graduate school but interested in CATECS courses must register through CATECS, Engineering Center, Room ADI-1, (303) 492-6331.

Almost all CATECS students are sponsored by their employers who pay \$750 tuition for technical and business courses and \$950 for Engineering Management Courses. Students without employer affiliation or tuition reimbursement program may petition CATECS for a 50% discount. FACULTY AND STAFF of the Boulder campus are eligible for CATECS courses for one-half the \$750 tuition, as in the Boulder Evening credit course program, if seating remains in the classroom.

NOTE: Registration CATECS Office, Engineering Center, Room Ad I-1, (303) 492-6331.

#### **Information for Graduating Seniors**

- Students planning to graduate in May or August should complete a Diploma Application Form by March 1, 1988. Forms are available at Schedule and Bill Pickup or in the dean's office, EC AD 1-1.
- 2. All seniors should notify their major departments before their last semester or session on campus and carefully plan their course schedule with advisor's approval to assure fulfillment of all degree requirements. A tentative commencement list will be posted on a bulletin board outside the dean's office. Each senior anticipating graduation should verify that their name is spelled correctly and listed as it should appear on the diploma. Each individual's major and honors designation should also be shown correctly. Please notify the dean's office of any errors on this list.
- 3. Final grades for the removal of IFs and/or the completion of correspondence courses must be in the dean's office before the beginning of the final examination period during the student's last semester or term.
- 4. Minimum requirements for a B.S. degree:
  - a. 128 semester hours of acceptable credits in a prescribed curriculum.
  - b. A GPA of 2.00 for all courses attempted, for all courses used to fulfill degree requirements, and all courses taken from the major department. Excluded from grade averaging is the letter grade  ${f P}$  in Pass/Fail courses. These courses may, however, count toward degree requirements.
  - c. The last 30 semester hours must be earned after admission to the College of Engineering and Applied Science.
  - d. Recommendation for a degree by the faculty of the student's major department and the faculty of the College of Engineering and Applied

It is the student's responsibility to check with the departmental advisor on fulfillment of the specific requirements of the major department.

## COLLEGE OF ENVIRONMENTAL DESIGN

Raymond G. Studer, Dean Environmental Design 168

#### **General Information**

Statements concerning general policies, rules and regulations, and specific information relative to course sequence and requirements are contained in the 1988-89 University of Colorado at Boulder Catalog available in libraries, the College Dean's Office, or the University Bookstore. All students are responsible for familiarizing themselves with this information and should retain a copy in their personal files. Students should also consult the Environmental Design Student Handbook available from the Dean's Office.

Environmental Design students must specify major code EV 852 or 853. Students select advisors from the faculty in Environmental Design. Faculty offices for advisors are in the Environmental Design Building. All students enrolled in the College of Environmental Design are required to see an advisor before Registration for each semester. All students must see the Academic Advisor in the dean's office every year to ensure progress toward graduation.

**Transfer Students**—Before admittance to this program, transfer students from the Boulder Campus or from other universities should have completed a college physical or life science course with lab (see Breadth Electives listing), English composition or equivalent, mathematics (calculus for prearchitecture and statistics for planning and other design students), and basic drawing skills, plus an overall 2.75 minimum grade point average.

**Minimum Scholastic Standards**—Students will be subject to suspension if they do not maintain a cumulative grade point average of 2.00 for the Environmental Design undergraduate division. A **D** in a required course other than general electives requires repeating the course.

Normal Schedule—The normal semester credit hour load in the College of Environmental Design is 16 semester hours. Advanced approval by the dean is essential for loads less than 12 semester hours or more than 17 semester hours. No incomplete marks (IW or IF) are given in the College of Environmental Design except in the case of a demonstrated medical crisis.

**Attendance Regulations**—Students are expected to comply with the attendance regulations specified by the instructor at the beginning of the semester.

**Additional Policies**—No student may take a required course on a Pass/Fail basis. No student may receive credit for a course taken twice under the same number.

#### Requirements for Bachelor of Environmental Design Degree

NVD curriculum for students admitted Fa	all 1983 and after:
Design—4 studios	24 credits
Societal—2 courses	6 credits
Natural Science Technology—	
2 courses	8 credits
Media—2 courses	6 credits
History/Theory—3 courses	9 credits
Total minimum required ENVD course	credits = 53

In the new curriculum, these are the courses that you must complete in ENVD.

History/
Theory
105/275 and two upper division
history/theory elective, such as (ARCH
470, ARCH 471, or ARCH 475)

FCCR 1-30 AR GREENBERG

001 1230-1345 T TH

M E 401 3 MECH BEHAVIOR/MATERIAL

#### Other Requirements:

Breadth Electives ENVD Emphasis Area Courses Emphasis Area Electives

20 credits minimum

Variable

15 credits minimum (9 in Upper Division)

#### Credits required for graduation = 128

Breadth Electives (one approved course from each area):

Math\*—MATH 130, (recommended for architecture), statistics (MATH 281, Q M 201, PSY 210, SOC 317, ECON 381, or GEOG 401 required for planning) Physical and Life Sciences (with lab)\*-PHYS 301

(recommended for architecture); EPOB 121 and 123; CHEM 103; NASC 123, 125.

Social Science—ANTH 103, 104, 210, 220; BLST 203, 204;

ECON 201, 202; GEOG 198, 199; HIST 101, 102, 105, 106, 111, 112, 141, 142, 151, 152, 161, 162, 181, 182, 201, 202, 207, 208, 215, 216, 258, 270, 271, 298; P.SC. 110, 201, 210; PSY 100, 370; SOC 191, 210,

211, 220, 246, 263, 384; WMST 200. Language Arts\*-UWRP 115, 125 or 215.

Visual Communications\*—F A 100, 101, 120, 121

Humanities-CHST 103; ENGL 260, 261; FA H 270, 271, 280, 281, 282, 284; HIST 101, 102, 103, 104, 105, 106, 141, 142, 151, 152, 181, 182, 201, 202, 207, 208, 215, 216, 258, 261, 262, 270, 271, 298; HUM 101, 102; PHIL 100, 102, 103, 104, 105, 107, 110, 114; PSC 240.

\*These courses must be completed before starting upper division ENVD courses that is, course number 300 or above.

Emphasis Area—These are preprofessional design specializations in architecture, urban design, landscape, interior design, or planning. Your upper division ENVD courses should be taken to support your chosen emphasis area. An emphasis area consists of a set of ENVD courses and related support electives from other departments. The College provides listings of approved courses for each emphasis area. The semester before you enter the upper division, you should consult these listings, and file a Support Elective Petition with the Dean's Office.

Support Electives—You must take at least 15 semester credits of approved course work outside the department that supports your emphasis area. This course work is listed with emphasis area requirements available from the College. Nine of the 15 semester credits must be in the upper division (300 and 400 level).

Requirements for students admitted before Fall 1983 who are continuing under the old ENVD curriculum:

A. Environmental Design Studio 36 hours

(6 semesters, 6 hours each)

Must include at least one 200-level, one 300-level, and two 400-levels.

**B.** Collateral Courses

**ENVD** Graphics 2 semesters, 3 hours each (ENVD 220, 221) 3 semesters, 3 hours each (ENVD 130, 230, ENVD Natural Science/ Tech 231) **ENVD Societal Science** 3 semesters, 3 hours each (ENVD 110, 210, 211) I semester, 3 hours (ENVD 170) ENVD History/Theory

C. Required courses in other colleges and schools of the University: Mathematics (calculus-MATH 130-for prearchitecture students, or

One semester of PHYS 30! with lab and a course in English composition or expository writing.

**D. Elective Courses**—Students should include upper-division courses in arts, humanities, physical sciences, business, engineering, or other appropriate units in their curriculum. Elective courses may be selected from any department on campus in consultation with faculty advisors. These courses include a broad spectrum of offerings from other colleges and schools as well as the College of Design and Planning, but should support declared emphasis or specialization declared in the second year of the program.

Total Hours Required for Graduation = 128

#### TRANSFER PROGRAM IN ARCHITECTURE AND PLANNING

The Master of Architecture and Master of Urban and Regional Planning programs at CU-Denver are open to holders of baccalaureate degrees, including the Bachelor of Environmental Design degree at CU-Boulder. Although this graduate program normally requires three and one-half years of study for completion, a prearchitecture curriculum exists at UCB whereby students may be considered for advanced standing in the Master of Architecture program at UCD.

## GRADUATE SCHOOL

Regent 306

#### **General Information**

Consult the University of Colorado at Boulder Catalog and your major department for additional information concerning requirements for advanced degrees. All regular degree and provisional degree graduate students must have the approval of their authorized departmental representatives concerning their proposed program of courses for each semester and must plan their degree programs with their designated advisors. Admission to Graduate School is not equivalent to approval of candidacy for an advanced degree. A student who wishes to become a candidate for a degree must make application in the manner prescribed under the requirements for the degree sought.

#### **Graduate Deadlines and Exam Dates**

NOTE: Departments or program committees may have additional deadlines which must be met by graduate students in that department or program. It is the student's responsibility to ascertain such requirements and to meet them as designated by the department or program chairman.

#### Deadlines for master's degree candidates for Spring 1988

Qualifying Examination

Students should check with department.

Request for Transfer of Credit

Must be received in Graduate School by the beginning of the semester before the semester of graduation.

Application for Candidacy Form Must be received in Graduate School at least 10 weeks before comprehensive-final examination or thesis defense is attempted. It is recommended that application be submitted the semester previous to graduation.

35

35

100

Must be submitted to the Graduate School at the 7330 Diploma Card beginning of the semester of graduation. Comprehensive-Examination defense must be scheduled by Final Examination April 18 and completed by April 25 for or Thesis Defense May conferring of degrees. Students must be registered at the time the examination is attempted and must register during the regular Registration period Thesis Filed in April 29 (two copies), for May conferring Graduate School, Comof degrees. plete in all Respects Deadlines for doctoral degree candidates for Spring 1988 Students should check with department. Preliminary Examination Before scheduling comprehensive examination. Completion of Language Requirement Earned at Least Three Before admittance to candidacy. Semesters of Credit Application for Candidacy At least 14 days before comprehensive exami-Filed in Graduate nation is attempted. School Students should check with department. Dissertation Approved by Department Diploma Card Must be submitted to the Graduate School in the beginning of the semester of graduation. Final Examination Examination must be scheduled by April 12 and completed by April 26 for May conferring of degrees. Students must be registered for at least 7 semester hours of doctoral thesis at the time the examination is taken. April 26 for May conferring of degrees. Dissertation Filed in Graduate School. #### SCHOOL OF LAW

Clifford J. Calhoun, Acting Dean

#### **General Information**

Please note. For course offerings, consult the Law School Registrar in the Fleming Law Building, Room 141, 492-7203.

## **COLLEGE OF MUSIC**

Robert Fink, Dean Music C-III

#### **General Information**

MUS (UC) 108, 183, 184, 185, 275, 276, 277, 308, 364, 365, 382, 383, 475, 489; P MUS III, 114, 118, 128, 130, 131, 132, 328, 330, 331, 332 are available for nonmusic students at the time of Registration. Classes in History/Literature and Theory may be available with consent of instructor. Other music classes are available during Drop/Add period.

Applied Music (lessons and classes) are available to degree students in Music only. Nonmusic majors secure information regarding private lessons and classes available to them through the Laboratory School at the College of Music Office, Music C-122A.

All undergraduate Music students are required to attend a literature/performance class as part of their principal applied music lessons.

#### **Major Codes**

- 318 Electrical Engineering and Music
- 570 Music and Journalism
- 601 Bachelor of Music
- 607 Bachelor of Music Education
- 614 Bachelor of Arts in Music 650 Music and Business

## **SCHOOL OF PHARMACY**

Louis Diamond, Dean Ekeley West 181

#### **General Information**

Academic advising will be available at the School of Pharmacy Office, Ekeley West 181, during Registration.

Academic policies for Pharmacy students are printed in the 1987-88 University of Colorado at Boulder Catalog. Students should refer to pages 238-241 of the Catalog for pertinent information.

To remain in good standing, a student must maintain a professional, cumulative, and semester 2.00 GPA.

#### **Major Code**

871 Pharmacy

## Independent Study Puts You Ahead of the Crowd!

For 75 years, motivated people have taken University of Colorado credit courses by correspondence. To get ahead of the crowd.

You can register in person or by mail. Anytime! You can take as long as one year to complete. And you always work at your own pace.

You choose the time and place to study.

More than 70 University of Colorado credit courses available.

Tuition: \$42.00 per semester hour (resident or nonresident).

Let us put you ahead of the crowd with independent study via correspondence.

For a free catalog of courses, call 492-8757 (1-800-332-5939, toll free in Colorado), or visit the office at 1221 University Avenue.
